COMMUNICATIONS

Mr. Huss reported that he has been in contact with the Borough President. The Joint Borough Council/School Board Meeting has been tentatively set for Thursday, February 28th at 7:30 PM in the 2nd Floor LGI Room of the Pottstown Middle School. This will be a public meeting. He asked all board members to mark the date on their calendars and asked each member to attend. Mr. Huss will contact Mr. Gardner to confirm.

AWARDS

None.

THE BOARD ENTERED INTO AN EXECUTIVE SESSION AT 7:45 PM TO DISCUSS PERSONNEL ISSUES.

THE BOARD RECONVIENED AT 8:02 PM.

HEARINGS FROM PATRONS OF THE SCHOOLS

Mr. Harvey wished everyone present a Happy New Year and expressed that he was back again to encourage the board to consider the reinstatement of the Jr. High Track Program. As Mr. White is not here, Mr. Harvey was there to present his part as a running advocate and ex-coach of the program. He gave a handout to the board highlighting the positive effects of the program. Mr. Huss reminded Mr. Harvey that he had two minutes left to make his presentation. Mr. Harvey stated that the board should really look at restoring the track program. He believes everything is in place and he compared it to a hockey rink but no hockey players. He reminded those present that Pottstown was the only school in the league without a team. Mr. Huss stated his three minutes were up and reminded Mr. Harvey that it is Mr. White's job to make such a request. Mr. Harvey asked the board to look over the handout and if they had any questions that they could come directly to him.

Ms. Douglas was glad to see all those out tonight. She asked a general question to all board members, "How much are attorney fees for due process?" She wants to prepare a newsletter for the community informing them of her experience. She's concerned that the district is willing to spend money to keep her son out of school for 40 to 55 days and feel that money could be better spent. Mr. Huss suggested that she contact Mrs. Adams for that amount.

Mr. Marable had two questions; where we are with the Early Learning Center and what is the progress? He wondered what Martin Luther King would think about No Child Left Behind. He believes the Early Learning Center is important to our children and maybe if it had been established twenty years ago our children wouldn't be having problems in reading and writing.

SPECIAL REPORTS

Mr. Hylton gave an update report on Save Our Land, Save Our Towns. He shared a Power Point Presentation which was an academic study looking at the original five options. He explained three crucial areas: Cost, Education Program and the neighborhood impact. He explained the costs of renovations to our present elementary buildings versus new construction. He informed the board that he would be emailing this information to them and he was eager for their feedback.
