HEARINGS FROM PATRONS OF THE SCHOOLS

Mr. Andrew Fisher asked Mrs. Pargeon what information provided by Mr. Hylton was incorrect? He was informed that the meeting format is not a question and answer session. Mr. Fisher stated his disapproval regarding Michele Pargeon's campaign feeling she misled the voters in believing she was for saving the five elementary schools.

Mr. William Fisher feels the same as Mr. Andrew Fisher. He cast his vote to remove the five outgoing board members with five new members who were in favor of saving the five elementary schools. He stated that if one of the new members cannot vote for the public voice, that person should leave. He feels the new board members should back up the people who voted them in.

Mrs. Susan Childs heard that the Drafting Program may be eliminated from the curriculum and she hopes that will not happen. She stated the program provides many opportunities for students of the district. Her daughter was able to obtain a job in local industry while in high school and she credits the Drafting Program. If the reason for eliminating the program is based on scheduling conflicts with the Advanced Placement classes, then the schedules should be changed. She feels the program is an investment in our student's future and she hopes the board will not allow that to happen.

Mr. Ronald Smith spoke with Larry Sager and asked how the construction of a new school near his home would directly affect him. He suggested he meet with Mr. Tom Hylton. He believes this whole decision to debate eliminating any of the schools is a waste of time. Had it been resolved as the new board promised, the school options would be a dead issue. Months later, we are still dealing with the same issue and he thinks that at this point the issue should be resolved. Mr. Huss stated that the board is following proper protocol by having public hearings on the issue.

SPECIAL REPORTS

Mr. Robert Giering, Barth Elementary Principal, presented the annual report on Federal Programs via video tape as he, Dr. Lindley, other elementary principals and teachers were attending the Step-by-Step conference in Harrisburg. Handouts were provided to the board for their review.

FEDERATION REMARKS

Mrs. Marchek thanked the Board for ending the school year at 11:00 AM on the last day of school. She remarked it was a very nice way to end the year, allowing students to leave early due to the heat and for teachers to have time to clean up for the summer.

REMARKS BY MEMBERS OF THE BOARD

Mr. Hartman wished everyone a nice couple of weeks as he is busy preparing for his sister's wedding this coming Saturday.

Mrs. Pargeon reported how pleased she was that 18 people attended the Strategic Planning Meeting on May 11, 2008. It was amazing to see administrators, board members, community members come together and have their visions, and goals align with our teachers. It was a very rewarding experience and was well worth the two and a half hours.

Mr. Krem stated he would like to see everyone tanner the next time he sees them but not to burn.

Mr. Huss thanked everyone for a great year and is looking forward to the 2008-2009 school year, with the anticipation of new personnel. Other districts look to us to pave the road to success and the administration is doing a great job leading the way.

ADJOURNMENT

It was moved by Mr. Wausnock and seconded by Mrs. Zahora that the Board adjourn. Motion carried. The meeting adjourned at 8:13 PM.
