Welcome to seventh grade math. We will have an exciting year investigating mathematics. Our goal is that ALL seventh graders succeed in math this year. We can meet this goal by being:

**Responsible**  
**Respectful**  
**Honest**  
**Willing to Learn**  
**Willing to Give Our Best**

## BE RESPONSIBLE

- Come to class prepared. Bring your **binder** with **paper, pencils, homework, textbook (when requested)** and **agenda**. Locker trips are not allowed. When you enter the room:
  - Sharpen your pencil
  - Read both boards
    - Put homework due in the appropriate place
    - Write the new homework assignment in your agenda
  - Begin warm-up activity
- Keep your binder complete and organized according to these three sections: 1) **NOTES**, 2) **WORK**, 3) **TESTS**. Binders will be graded once a week on neatness and completeness.
- Attendance is critical. One day is like missing two classes of work.
- **When absent**, the student must speak with Mr. Roberts **THE DAY HE/SHE RETURNS**, even if he/she does not have math that day. No owed work will be accepted after one week, including tests and quizzes.
- Use **pencil** on all work. Put a **complete heading** on all work.

Full Name	
Section	Date

## MATERIALS NEEDED FOR CLASS

- 3 ring binder, notebook, pencils, and highlighter.

## CLASSWORK AND HOMEWORK

- Always submit completed, **QUALITY** work.
- **All homework is due at the bell at the beginning of class.** Homework handed in any time after the beginning of class will be accepted with a 20% penalty.
- **Homework is graded based on effort.** If you truly don't know something, write what you do know or explain where you are having trouble.
- You must complete a **NO ASSIGNMENT FORM** and put it in the **IN BIN** if you do not have your homework with you at the beginning of class for any reason.
- **Participation is graded.** Engage in the lesson, listen actively, speak clearly, and work cooperatively.
- **Reviewing and practicing daily is a must for success in math.**
- Tests will be announced at least two classes ahead but quizzes may be announced or unannounced.

**EXTRA HELP-** is available upon request every day before school from 7:20 to 7:45 and every day after school from 2:30 to 3:30.

<b><u>GRADING-</u></b>	Test & Projects:	70%
	Quizzes:	20%
	Homework & Class Participation:	10%

**CONSEQUENCES-** Failure to be respectful or responsible will result in:

- 1<sup>st</sup> offense - Verbal/non-Verbal warning.
- 2<sup>nd</sup> offense - Student Restore Letter (Parent sign and return).
- 3<sup>rd</sup> offense - Sent to Timeout/office with a phone call or letter home.

**ADDITION PRACTICE-** Please check my Pottstown School District webpage for links to Mathematical websites.

**SPECIAL NEEDS-** Accommodations are made for students with special needs in my classroom. Please contact me if you have any questions regarding these accommodations.

**WE ARE GOING TO HAVE A GREAT YEAR!!!**
