

NOTICE TO PARENTS

As a parent/guardian of a student that attends a Pottstown School District building that receives Title I funding**, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any instructional aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please send your written request to Mrs. Lisa Schiavone, Federal Programs Coordinator, c/o Pottstown School District Administration Building. Information requested will be provided in a timely manner. Our district is fully committed to the success of your child. We appreciate your partnership in our efforts.
