Classroom Notes

This past week we worked on:

- Reviewing our numbers 0-5 and greater than
- Introduced the letter T and sight word see
- We had so much fun playing with scooters in gym!

Coming up this week:

Coming up in math we will be continuing to practice our numbers and comparing groups that are greater and less than. In reading we will be introducing the letter I and the sight word "go." In science we are going to start talking about the First Thanksgiving!
