

A Message from Mrs. Swartz.....September 14, 2016

Here's What's Happening

in Room 214.....

Tomorrow in class we will have our first spelling and reading tests. The words are listed below and have come home in the green spelling journals.

Spelling list 1: has, wag, bad, six, will, sat, had, fix, him, if, can, hit, blue, even, study

Vocabulary: excited, different, whisper, carefully, groan....all kids should know the words and meanings.

In math we have been working on addition facts. Your child should have memorized the doubles facts (0+0 through 10+10). We also practiced a trick I call "One away" for facts like 6+7 or 9+8. I hope that they can share that strategy with you at home.

Parents, if you do not have flash cards at home, NOW IS THE TIME TO GET THEM! Please make a practice of working on them for 5-10 minutes each night. It will make a world of difference! If you do – please focus on those doubles and "one away" facts for now. It will keep in line with what we're doing in class.

~If you have not signed up for the online app CLASS DOJO to receive photos and messages of your kids in class, PLEASE send me your name and email or cell phone number. I will "invite" you right away.

~Please remember to empty these Wednesday Folders and return them to me. This is how I send graded papers and forms from the office to you.
