The seal is symbolic of the school. The central figure is a lamp burning vigorously. This is to represent the light of education as it spreads understanding, tolerance, and information to the world. Enclosing the lamp of learning is a triangle bearing the names of three general fields of endeavor. Resting on a base of art, which is indicative of all culture, the other two phases of school activity, science and industry, reach upward to form the apex of the triangle. Twin circles bearing between them the name of the school, town, and state confine all of the symbols. These circles represent the unity of the school district and serve to remind us that we have a single, basic institution.

#### Co-Curricular Code of Conduct

*Co-Curricular activities are a privilege and not a right.* In addition to individual team/club rules, all participants are required to adhere to the Co-Curricular Code of Conduct as it is outlined below. Infractions to the Code of Conduct may be subject to consequences ranging from suspension from the activity for a determined time period to removal from all school activities for the entire school year. These consequences will be determined by the coaches, advisors and/or administration.

- Conduct - A firm and fair policy for enforcement is necessary to uphold the regulations and standards of the high school. The community, school administrators, advisors and coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of co-curricular activities, including athletics. The welfare of the student is our major consideration. All participants shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic programs afford. Any conduct that results in dishonor to the student, the team, the club or the school will not be tolerated. Acts of unacceptable conduct in school, or in the community, such

as, but not limited to, theft, vandalism, disrespect, immorality, or violations of the law that tarnish the reputation of everyone associated with the program will not be tolerated. Penalties for such violations could range from loss of status on the team or in the club, suspension, or dismissal.

- Equipment - School equipment checked out by a student is the responsibility of the student. Loss of any equipment is the student's financial obligation. This includes but is not limited to uniforms, warmups, protective equipment, and other equipment provided by the school.
- Missing Practice or Meetings – A student should always consult their coach or advisor before missing practice/meetings/competitions. Missing a meeting, practice or a competition without good reason will be dealt with firmly and could range from loss of status on the team or in the club to suspension or dismissal. The attendance policy for each club/team will be properly communicated by the advisor/coach at the start of school year/season.
- Travel - All students must travel to and from out of town athletic contests or club activities in transportation provided by the school unless previous arrangements are made and approved by an administrator. Exceptional situations may include but are not limited to weddings, funerals, or the prom. Notifications must be given in writing prior to the event and students must be picked up or dropped off by a parent/guardian. These notifications must also be signed and dated by the parent/guardian
  - Students will remain with their team/club and under the supervision of the coach/advisor when attending away contests.
  - Students who miss the bus will not be allowed to participate in the contest unless there are extenuating circumstances. (See above) These situations will be evaluated on an individual basis by the coach/advisor/administrator
  - Students are not to drive any vehicles to or from events.
  - All regular bus rules will be followed.
  - Dress appropriately and in good taste when traveling with the team/club.
  - Misconduct during away events/activities, by all students in attendance, will be addressed and treated as if it occurred on school property. During these away events/activities, you are still representing Pottstown High School and will be held accountable.
- College Recruitment - College recruitment information is available in the Career and Counseling Suite. You can also talk with our college and career counselor in regards to collegiate sports. Link for this department website is here [Career and Counseling](#). All students must adhere to all of PIAA, NCAA and other governing bodies policies as it pertains to college recruitment.
- Attendance - Students must be in attendance in school in order to participate in practice or events for that day. Exceptions to this rule would involve absenteeism for an excused reason such as college visitation, doctor's appointment, driver's test, or other situations as determined by the administration. **Unexcused tardiness will disqualify students from participation in games or practices. Exceptions may be made with administrative discretion.**
- Dismissal From Class - It is the responsibility of the students to communicate with their teachers prior to early dismissal from class for an event. It is also the student's responsibility to make up whatever work is missed due to the early dismissal in the timeline given by the teacher.
- Grooming and Dress - Appearance, expression, and actions always influence people's opinions of athletes and club members, the team or club, and the school. Once a student has committed to being a member of a squad or club, they have made a choice to uphold certain standards expected of athletes and club members. You are representing Pottstown High School and it is expected that you will in no way embarrass yourself or your school by behaving or dressing inappropriately.
- Reporting of Injuries - All injuries which occur while participating in athletics should be reported to the athletic trainer/head coach immediately. If the injury requires further medical attention by a doctor or a treatment center, it will be necessary to have an injury report form completed. If the injury/incident requires additional attention, the athletic trainer/head coach will also communicate with the building administration/nurse. Once an athlete is treated by advanced medical care, the athlete must obtain the doctor's permission to return to the activity.
- Locker Room Regulations - Roughhousing, throwing of objects, and any lewd behavior is not allowed in the locker room.
  - All showers must be turned off. The last person to leave the shower room is expected to check all showers.

- No one except coaches and assigned players are allowed in the locker room.
- No glass containers are permitted in the locker room.
- All spiked or cleated shoes must be put on and taken off outside the gym lobby. No metal or hard plastic spikes or cleats are ever allowed in any other part of the school building.
- All students are provided with a lock for their lockers. It is the students' responsibility to lock their lockers at all times. No personal belongings shall be left out in the locker room
- Hazing
  - The Pottstown School District does not condone any form of initiation or harassment known as hazing as a part of any school sponsored activity. This regulation is established that no student, coach, volunteer, or employee shall plan, direct, encourage, assist, or engage in any hazing activity. Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health, or safety of a student for the purpose of initiation or membership into a Pottstown School District organization. Endangering the physical health shall include but is not limited to any brutality of a physical nature such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, beverage, drug or controlled substance, or other forced physical activity that could adversely affect the physical health or safety of the individual. Endangering the mental health shall include any activity that would subject an individual to extreme mental stress such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity even if a student willingly participates. If any hazing activities occur, this will result in the coach's immediate termination of responsibilities and/or the release of any and all students involved.

#### Eligibility for Co-Curricular Activities

Pottstown High School is a member of the Pennsylvania Interscholastic Athletic Association (PIAA), and its interscholastic athletic program is governed by the rules and regulations of that association. The athletic program is controlled by the principal of the high school and the Athletic Director. Pottstown is a member of the Pioneer Athletic Conference. As a full member of the PAC, we adhere to all conference rules and regulations.

Participation in co-curriculars is highly encouraged. However, participation is a privilege, not a right.

Administration reserves the right to deny or remove a student for participation if a student fails to meet academic requirements and /or The Code of Conduct. The co-curricular activities programs shall be open to all students who meet the following Pottstown School District requirements. Co-curricular activities include but are not limited to athletics, clubs, non-curricular music/drama programs, assemblies, the Prom, dances, field trips, Homecoming, or any other non-academic school functions.

- Students must pursue a curriculum approved by the principal or their designee.
- Every week, students must be passing at least three (3) credits. If a student's current semester schedule has less than three (3) credits, he or she must be passing all classes to be considered eligible. Eligibility is tabulated at 10:00 a.m. every Friday morning and runs Sunday to Saturday of the coming week. **Once a student is ineligible, he/she may not participate in competition until eligibility is checked again the next week and the student is found to be eligible. If a student is ineligible based on a marking period grade, that student will not be eligible until 15 school days of the next making period is complete. The report will then be run on the next Friday that follows those 15 days. The first semester grade will be used instead of the 2nd marking period grade.**
- Students may have Academic Recovery / Study Hall time assigned for not meeting academic eligibility requirements. Failure to complete the assigned hours may result in a loss of eligibility for the following week, missed hours must be completed before a student can regain academic eligibility.
  - Students who are ineligible are expected to participate in all practices and study halls as per the directive of the coach or advisor.

- o Ineligible students will not be dismissed early and/or miss school for co-curricular activities. This includes but is not limited to away sports events, non-academic field trips, etc.
  - o For purposes of eligibility, all classes are judged by the current number scale, with less than 60% being a failing grade.
  - o A student must be in attendance and without an unexcused tardy to participate in games or events.
  - o PIAA states that any student missing 20 or more days in a semester is ineligible to participate in any interscholastic sports for 45 attended days after the 20<sup>th</sup> missed day.
  - o Students who are suspended out of school (OSS) or expelled may not participate in any after school competitions or activities during the period of suspension/expulsion.
  - o Students who are assigned in-school suspension (ISS) may not participate in after school competitions/events on the day(s) of the suspension but are expected to participate in all practices or study halls as per the directive of the coach or advisor.
  - o Students who have 5 or more incidents of suspension (ISS or OSS), forfeit the privilege to participate in athletics, non-curricular field trips, dances (including the prom), pep rallies, class trips, and all other co-curricular activities for the remainder of the school year.
- No student may participate in a sport that has an outstanding obligation to the athletic department until the obligation has been satisfied.
  - If a student does not pass the 3 credit minimum at the end of the school year, that student will be ineligible for the first 15 school days of the next school year. Their next opportunity to be eligible will be the first Friday following the 15 school days. If the student completes the necessary credit recovery during the summer to meet these requirements, the student will then be eligible at the start of the next school year.

In all activities, the coach/advisor shall select the students who shall represent the school. The coach/advisor is given the privilege of cutting students to attain a workable or required number. Cuts, when necessary, will be based on students' ability, attitude, general proficiency, and any other criteria that the coach/advisor deems important for the students representing their team/student organization. These standards will be communicated to the student athletes by the coach/advisor prior to making cuts. Every student athlete interested in coming out for a sport will be provided the same opportunity to make the team.

#### Athletic Insurance

The Pottstown School District makes it possible for all students to purchase insurance covering accidents. The cost is nominal. This policy normally covers any accidents from the time the student leaves home until he returns home, provided there is not an extended period of time after school hours. Teachers will make the necessary information available to their homeroom students at the beginning of each term. Information about this school accidental insurance is found at this link: [Student Accident Insurance](#)

**No student** may participate in any sport unless covered by either school insurance or adequate insurance from some other source. Parents who do not take advantage of the school insurance program must complete a form indicating the type of insurance that they carry and releasing the school district from responsibility for injuries which may be received by participating in the sport. This information will also need to be on the PIAA Comprehensive Interscholastic Pre-Participation Exam (CIPPE) packet. This packet must be completed by any student athletes participating in sports and turned into the athletic trainer prior to participation.

For those students who carry school insurance, a claim form is available at the school to which the parents should attach all bills. When these are returned to the school, they will be forwarded to the insurance company and the insurance company will fulfill its obligations in regard to the injured student. In order to be honored, the forms must be filled out completely. A proof of school insurance enrollment must also be given to the athletic trainer along with the rest of the CIPPE packet.

All guests must be under the age of 21. Dances end at 10:00 unless otherwise stated. Students must meet eligibility requirements to attend any PHS dance. Students’ privileges for dances and prom may be removed by the administration following a student suspension.

### **Attendance**

It is expected that each student will be present every day that school is in session. Every absence and tardy is entered on each student's permanent record. Parents are encouraged to call the Attendance Office at 610-970-6710 to notify the school when their child will be absent. Students may not be permitted to make up work from unexcused or unlawful absences. Upon returning to school from any absence:

- Students must submit a written parental statement that includes the student's first and last name, date(s) of the absence(s), and reason for the absence, phone number and parent/guardian signature.
- Notes are to be given to the Attendance Office clerk or a photo or scanned picture of the note can be emailed to [mhopkins@pottstownk12.org](mailto:mhopkins@pottstownk12.org). Notes may also be faxed to 610-970-1363.
- Phone calls are not valid legal excuses. All excuses must be in writing.
- If the student does not submit this written note within three (3) days of his/her return to school, the absence is considered unlawful. Students over the age of 18 will be considered unexcused (see board policy for more information).
- Once a student is beyond ten (10) absences, the student must submit a doctor's note to be excused from school. Any absence without a doctor's note, will result in an unlawful absence.
- Unlawful and unexcused absences resulting from the failure to turn in an approved note within the 3 day time period will not be changed.
- Students absent three (3) or more consecutive school days *within the same school year* must present a physician's excuse in order to be considered medically excused.
- Students needing to leave school early for any reason must have a handwritten note turned into the Attendance Office the morning of the dismissal. The note must include a parent/guardian signature and phone number where they can be reached to verify the note. An email from a parent is acceptable when sent three days in advance so school staff can call and verify authenticity. Phone calls and/or emails will not be accepted the day of the request.
- The State of Pennsylvania defines “truancy” as a student who has missed 3 days of unexcused absence from school and “habitual truancy” as a student who has 6 or more days of unexcused absence from school in a school year.
- When a student has a medical or dental appointment that requires early dismissal from school, a note

from that office must be turned in immediately upon returning from the appointment. If the note is not handed in, the absence will be recorded as illegal.

- The attendance office emails and mails truancy warnings when students have reached 3 and 6 days unexcused absences. Notifications are also sent home through the parent portal.

## Tardiness to School

- Tardiness, as defined by school law, is lateness regardless of the student's reason. This would include late arrivals that are a result of illness, doctor's appointments, car trouble, inclement weather, etc.
- **Students are tardy if they are not in their Block 1 class by 8:07 am.**
- All cases of tardiness must be recorded.
- Students who arrive late because of an emergency situation must bring a note signed by the parent that explains the emergency. Tardiness will be considered excused for the following reasons:
  - Late buses
  - Personal illness
  - Medical reasons (with a note from a doctor)
  - Hazardous conditions due to inclement weather
  - Religious obligations
  - Family emergencies
  - Utility failure
  - Driver's examination (with prior approval)
  - Job interview (with prior approval)
- Other extenuating circumstances may be considered by a school administrator or the Attendance Office.
- **No more than ten (10) parental notes will excuse a child per school year. This includes absentee notes.**

Should tardiness become chronic, the administrator may record each tardy as an unexcused tardy. In addition, chronically tardy students may be required to have parental escort for admission. Students should follow these procedures when tardy:

- If in the building, but late to Block 1, you will be marked as tardy.
  - If you have a tardy note from a parent/guardian, turn it in to your Block 1 teacher.
- If you arrive at the building after 8:07, the doors will be locked and you will need to enter through the main office.
- Any students arriving after 10:52 am will be considered absent unexcused for a half-day.
- **Students who have an unlawful or unexcused tardy will not be eligible for participation in athletic or co-curricular competitions or events.**

## Make Up Work Policy

- When a student has a legally excused absence, he/she will have the number of days he/she was absent plus one day to make up work.
  - Example: If a student is legally absent from school on a Monday and Tuesday, he/she will have Wednesday, Thursday and until the end of the school day on Friday to make up and hand in any missed work.
- If a student is unlawfully absent, he/she is ineligible to make up work and will receive a 0 for any missed work in accordance with state law.
- More time may be provided at the discretion of the teacher. It is the student's responsibility to make arrangements to make up any missed work.

## Leaving School

Dismissal of classes will be at 2:40 p.m. unless otherwise noted. Students not engaged in any supervised school activity must leave the school premises by 2:50 p.m. On days with early dismissals, all students must leave the building within 10 minutes of the dismissal time. Failure to comply with this rule may result in disciplinary action for insubordination and/or legal action for trespassing.

## Legally Adult Students Signing Excuses & Early Dismissals & Field Trips

- The Division of Child Accounting in the State Department of Education has indicated that students eighteen (18) years old and above are **no different than other students**.
- If they are still living with their parents, the parents must sign their excuses.
- In order for a student to sign their own excuses, court-approved emancipation must be proven to the school and is the burden of the student.
- Students eighteen years old and older are required to follow the attendance rules of the school including the rules for early dismissals and field trips.

### Homelessness (McKinney Vento eligibility)

Each school district is required to designate a liaison to ensure that students experiencing housing instability are properly identified, enrolled, and have full and equal opportunity to succeed in school. Students who lack a fixed, regular and adequate residence or are not in the care of their guardian maybe eligible for McKinney Vento support. Examples of this may look like families facing eviction, runaway youth, victims of domestic violence, fire, loss of employment or hospitalization/incarceration. If you feel your student is experiencing any difficulties accessing their education because of concerns relating to housing stability, please reach out to our homeless liaisons:

## Keystone Exam Requirements

In September, 2018 the governor signed Senate Bill 1095/Act 158 which enacted provisions to the Keystone Exams and graduation requirements. The Pennsylvania Department of Education updated the requirements for the implementation of Keystone Exams in Algebra I, Literature, and Biology.

This guide is designed to assist you in understanding how changes to Pennsylvania's Public School Code, which authorizes commonwealth graduation requirements, will impact your child.

- Effective with the graduating class of 2023, students must demonstrate post-secondary preparedness through one of the pathways to graduation.

- Students are required to demonstrate proficiency in each of the content areas listed below by passing a Keystone Exam in the following subject areas: Algebra I, Biology, and Literature II.
- All students enrolled in Algebra I, Biology, and Literature II will take the respective Keystone upon completion of the course.

Students who score proficient or advanced on each exam have met the graduation requirement.

**Pathways to Proficiency According to Senate Bill 1095/ACT 158:**

- **Re-Testing:** Any student not proficient in a Keystone Exam will have the opportunity to re-test.
- **Summer School:** If a student enrolls in summer school Algebra I, Literature II or Biology course and subsequently passes the course, proficiency in that subject area will be satisfied with the exception of the multiple pathways additionally required by the department of education for those who don't score proficient or advanced on the Algebra I, Literature, or Biology exams.
- **Multiple Pathways:** Students who earn a passing grade in a Keystone related course (but not the Keystone Exam) will also be required to complete prescribed evidence (pathways) provided by the Pennsylvania Department of Education that reflect readiness for meaningful post-secondary engagement consistent with the student's goals and career plan. Additional planning will be necessary to review each individual student's access to the approved pathways to ensure that 100% of students meet the defined requirements.

**Promotion and Retention**

In order for students to be promoted to the next grade level, the following number of credits must be earned by the beginning of the school year. Students who do not earn the appropriate number of credits will be retained or reclassified into the appropriate grade for their credits. Grade classification will be used to determine advisory groups, participation in prom and other events related to class/grade, course selection, etc.

- 0-5.5 credits = 9th grade (freshman)
- 6-11.5 credits = 10th grade (sophomore)
- 12-17.5 credits = 11th grade (junior)
- 18 and above = 12th grade (senior)

\*Additional Note - Students in 9th, 10th, or 11th grade must maintain a schedule of at least 3 credits per semester

**Class Rank**

Class rank shall be computed by the final grade in all subjects for which credit is awarded. To reflect the intensity of the academic requirements, honors, Advanced Placement, and certain upper level courses shall be weighted when calculating class rank and honor roll. Please see [Pottstown School District Board Policy 214](#) for more information.

**Commencement**

Commencement is a special occasion that takes place to recognize those students who have completed the requirements for graduation including:

- Credit requirements, including number of credits earned and required courses successfully completed
- Payment of financial obligations such as class dues and student debts
- Attendance and proper behavior at all graduation practices

Failure to meet the graduation requirements may result in not receiving a diploma or not being permitted to participate in the graduation ceremony.

*Participation in the commencement ceremony is a privilege and not a right. Students may be banned from participation for failure to comply with the requirements of participation.*

Students who have met the requirements to participate in graduation are expected to adhere to the following procedures:

## Discipline Code for High School Students

The guidelines outlined in this section represent the consequences for violations of the Discipline Code for PHS students. Consequences may be modified if alternative or additional actions will serve the best interest of the student and/or school physical or virtual environment. Please note that this list of unacceptable behaviors is not inclusive. Any event not mentioned below will be addressed by the administration. The administration expects each student to demonstrate behavior that shows respect for all persons and property. It is each student's responsibility to demonstrate desirable behavior which is conducive to a good learning atmosphere.

Restorative practices is an integral part of the Pottstown High School culture. Restorative conferences and restorative circles are held regularly as a means of forging strong relationships between students and between students and staff, as well as to resolve conflict and address disciplinary concerns.

Administration may use higher levels of disciplinary measures as necessary. The code is divided into minor and major behaviors. Police will be notified whenever federal, state, county, or municipal laws are violated.

*It is the expectation that all staff will make decisions impartially and with equity as a targeted value.*

### Levels of Undesired Behavior

Student misbehavior has been categorized into two levels: Minor and Major

Minor referrals are for behaviors that the teacher is capable of handling in the classroom with management strategies. The teacher is expected to implement a management strategy and document the behavior as a minor.

Major referrals are for behaviors that cause a major disruption to the learning environment and require administrative intervention including anything from an administrative conversation, to detention, and suspensions. The teacher will receive follow-up feedback regarding how the referral was dealt with. The administrator will make every effort to hold a restorative meeting between the student and teacher during the school day.

Accordingly, individual and group complaints shall be recognized, and appropriate appeal procedures shall be provided.

For purposes of this policy, a **student complaint** shall be one that arises from actions that directly affect the student's participation in an approved educational program. This policy shall not apply to PIAA regulated sports program policy.

The student should first make the complaint known to the staff member most closely involved or, if none is identifiable, a guidance counselor; and both shall attempt to resolve the issue informally and directly. 2. The Superintendent.

## Extra Curricular, Overnight and Abroad Trips

[Field Trips Policy 121 Pottstown School District](#)

Any teacher/staff member failing to properly adhere to Pottstown School District Policy 121 or the guidelines cited below may be restricted from sponsoring or attending field trips in the future.

### **Eligibility**

These trips are a privilege, not a right. Safety and learning of all students on the trip is the priority of the staff at all times. **Students that become ineligible at any time before the trip and during the pay schedule period may not be eligible for a refund, subject to administrative discretion.**

Eligibility is determined at the sole discretion of the administration, taking the following factors into consideration:

### **Academic Standing**

Students who participate in these optional field trips must be in good academic standing preceding the trip and have demonstrated the ability to make up for missing work in a timely manner.

### **Behavior**

Disrespectful, insubordinate, or unsafe behavior on a trip is unacceptable and may result in exclusion from activities in addition to disciplinary action at school. If a student on an overnight trip displays behavior that is insubordinate, interferes with the learning of other students, or jeopardizes the safety of students or staff, then the student may be declared ineligible to attend future trips. In extreme cases, parents may be asked to arrange for the student's immediate transportation home. As a student I agree to abide by the PSD code of conduct (*as a parent or guardian I acknowledge that I am aware*) in order to participate in a PSD sponsored field trip. I understand that all rules for appropriate school behavior and expectations set by PSD apply during a trip. All disciplinary responses for inappropriate behaviors outlined in the PSD handbook and PSD policies will apply to all trips.

With the approval of the building Principal, a student who has previously committed a serious disciplinary violation or behaved unacceptably but has since consistently demonstrated good evidence of improved behavior and dependability, may have the opportunity to participate in a school-sponsored trip.

If, at any time, a student's behavior (before, during and after) is impacting the safety of him/herself or others or impacting the overall trip experience for the other students, parents will be contacted and the student will be refused participation or continued participation. The district reserves the right to prohibit a student from attending the trip due to serious allegations or a pending police investigation and/or an incident that would pose detrimental to the health, safety and welfare of the students.

### **Medication/Health Management**

All student medication to be administered by a staff member or nurse must be disclosed by the deadline for the first deposit for that trip. All student medication to be administered by a nurse or parent must be disclosed by the deadline for the first deposit for that trip. The only exception is a new prescription, which must be disclosed within one week of receiving the medication. The administration reserves the right to declare a student ineligible for an overnight trip if the nature of the student's health condition and or medication requirements is in conflict with the demands and rigors of the field trip schedule or presents a safety concern. All medications that may be taken, whether administered by staff or self administered, including over-the-counter medications, must have the necessary medical forms signed by a physician and turned in by the stated deadline. Parents of students in grades 9-12 may provide virtual supervision of student-administered medication if pre-approved by the school nurse.

Any item prohibited in or on school property as stated in the PSD handbook or policies is also prohibited on any trip and all disciplinary responses for inappropriate items and substances outlined in the PSD handbook and PSD policies will apply to all trips.

# 1:1 CHROMEBOOK HANDBOOK

For Parents/Guardians  
and Students 2024-25

## Pottstown School District

This handbook is a guideline for the productive and responsible use of devices as a primary learning resource.

### PURPOSE:

Pottstown School District strives to create an environment where every learner has the power to meet the challenges of today's world with confidence. Chromebooks support this environment in many ways. These devices break down classroom walls and provide both educators and students with the ability to access more educational resources than ever before. Chromebooks encourage collaboration and allow learning opportunities to be anywhere at any time. This tool will permit teachers to utilize mobile and social technologies in their everyday instruction, encouraging a habit of lifelong learning in their students, and continue to meet the ever-changing challenges of college and career readiness.

This handbook may be updated, changed and modified at the sole discretion of Pottstown School District administration. We will provide advance notice of any changes through regular school communication. Any changes to the policy will be effective for the next school year.

Students and their parents/guardians are reminded that use of school technology is a privilege and not a right and that everything done on any school owned computer, network, or electronic communication device may be monitored by school authorities. Inappropriate use of school technology will result in loss of computer privileges, removal from class, loss of credit, failing grade and/or legal action as stated in the parent and student handbook.

***This document is intended to help students and parents/guardians navigate policies and procedures having to do with the 1:1 initiative.***

---

### OBJECTIVES:

  - A student arriving mid-year will need to bring the completed paperwork and payment to one of the designated Chromebook Service Centers in the building.
- 

#### OWNERSHIP:

Pottstown School District retains sole right of possession of the Chromebook. Pottstown School District lends Chromebooks to the students for educational purposes only, during the academic year. Additionally, Pottstown School District administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add or delete installed software or hardware. Students should not share their Chromebook with another student or leave the Chromebook unattended. Only district provided devices will be allowed on the district network.

---

#### CHROMEBOOK IDENTIFICATION RECORDS:

- The school will maintain a log of all Chromebooks including: Chromebook serial number, name and ID number of the student assigned to the device.
- Each student will be assigned the same Chromebook for the duration of their time at Pottstown School District. They will be collected at the end of each school year.
- Students may not use or install any operating system on their Chromebook other than the current version of Chrome OS that is supported and managed by the district.
- The Chromebook operating system, Chrome OS, updates itself automatically. Students do not manually update their Chromebooks.

#### STUDENT RESPONSIBILITY & CARE OF YOUR CHROMEBOOK

Students are responsible for the general care of the school-issued Chromebook. Chromebooks that are broken or fail to work properly must be reported to a teacher or administrator as soon as possible so it can be resolved. School-owned Chromebooks should NEVER be taken to an outside computer service for any type of repairs or maintenance.

- Students are expected to bring their assigned Chromebook to each class every day unless specifically advised not to do so by their teacher.
- It is the sole responsibility of the student to have the Chromebook fully charged at the beginning of each school day.

#### GENERAL PRECAUTIONS:

#### VIRUS PROTECTION:

- Chromebooks have built in virus protection and therefore do not need any virus protection software installed.
- Student Chromebooks will be configured to use the district web-filter, both in the district and when connected to home or public Wi-Fi.

The school may, without prior notice or consent, log, supervise, access, view, monitor, and record use of student Chromebooks at any time for any reason related to the operation

of the school. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

#### STORAGE:

- Use a locked locker to store the Chromebook while at school when not in use, including during Physical Education classes. Do not leave your device unlocked or unsupervised in the locker room area.
- Nothing should be placed on top of the Chromebook when stored in the locker.

Chromebooks should not be stored in a student's vehicle at school or at home for security and temperature control measures.

---

#### PERSONALIZING YOUR CHROMEBOOK

Students may personalize the provided Chromebook case following these guidelines:

- Cases may not be personalized with words or imagery that could be perceived as derogatory, stereotypical, or offensive to any race, ethnicity, sexual orientation, religion, weight, gender, or socio-economic status.
- Students are reminded that no stickers should reflect drug or alcohol use, weapons or violence, explicit language, or sexual innuendo.

Students are NOT PERMITTED to adhere stickers, glue, scratch, or markup any surface of the actual Chromebook.

Students are NOT PERMITTED to remove or tamper with any district identification tags on the Chromebook or cover. (If a tag accidentally comes off, contact a Chromebook Service Center as soon as possible.)

Students are NOT PERMITTED to use inappropriate media as a screensaver or background.

While we encourage freedom of expression, it is with the responsibility of being ever mindful of others who may not share the same life experiences.

#### PRINTING

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- Because all student work should be stored in an Internet/cloud application, students will not print directly from their Chromebooks at school. Printing that needs to be done can be accomplished by accessing their Google Chrome accounts in the school library or printing at home.

#### MANAGING AND SAVING YOUR DIGITAL WORK WITH A CHROMEBOOK

- The majority of student work will be stored in Google Drive or Internet/cloud based applications and can be accessed from any computer with an Internet connection and most mobile Internet devices.
- Flash drives are only to be used to store school related/approved information.
- Students should always remember to save frequently when working on digital media. Not all Google tools/apps automatically update/save.

## DIGITAL CITIZENSHIP: INAPPROPRIATE DIGITAL USE BY STUDENT

The school administration will follow district policy on inappropriate use of technology. Inappropriate use of technology could result in the student's loss of a one to one device.

---

## INSTRUCTIONAL USE

Students are responsible for bringing their Chromebooks to school every day. If students leave their Chromebooks at home, they are still responsible for completing their coursework. Teachers, at their discretion, may give alternate versions of assignments that do not require the use of a Chromebook, or students may be issued a temporary device.

If a teacher determines that a student is not using the device appropriately, they may revoke access to the device during their class and take appropriate disciplinary action.

If a student repeatedly forgets their Chromebook at home, the student may be subject to **appropriate** disciplinary action.

Students are to bring their Chromebook to school **fully charged** every day.
