Community Profile

The Pottstown community is located along the Schuylkill River in Western Montgomery County. Pottstown is a suburb of Philadelphia, yet it has a rural, small-town atmosphere that has drawn small businesses as well as many new professionals to the area. The estimated population is 21,000 residents. The Pottstown School District has a population of approximately 3,000 students and comprises one high school, one middle school, and four elementary school buildings.

Programs of Study

Pottstown High School offers a variety of academic, as well as, Career and Technical Education programs. Students are provided with a flexible and comprehensive curriculum in a block schedule, fall and spring semester format. Course offerings include Honors and Advanced Placement, Career and Technical Education, and Dual Enrollment courses through Montgomery County Community College (MCCC).

Honors Courses: English I & II, French III & IV, Spanish III & IV, Algebra & II, Geometry, Biology, Chemistry, Chemistry, World History, US History, Physics, any MCCC course.

Advanced Placement (AP) Courses: Language & Composition, Literature & Composition, US History, US Government, Calculus AB & BC, Statistics, Computer Science, Biology, Chemistry, Physics*, Environmental Science, European History, Spanish*, Macro Economics*, Micro Economics*, Psychology*, Human Geography, and Art History* (Virtual Courses*).

Dual Enrollment Courses: Students can enroll in college courses through MCCC. The content area of these courses is accounted for on the transcript. We strongly encourage our students to send their MCCC transcript alongside their PHS transcript to view the specific courses students have taken.

Career and Technical Education Programs: Automotive Technology, Construction Technology, Cosmetology, Culinary Arts, Early Childhood Education, Engineering Technologies, Entrepreneurship, Healthcare Technology, Marketing & Management Information Systems.
