

## Final Exam and Keystone Schedule 2023=2024

Dear Parents and Guardians,

Pottstown High School will be administering the annual Keystone assessments in the areas of Literature, Algebra, and Biology. These exams are designed to evaluate students' levels of proficiency in the respective courses. We are required by PDE to administer these assessments onsite and thus will need all students taking a Keystone exam to report to the high school on their respective testing days. Our testing days are January 8th, 9th, and 10th. This is a requirement for both in-person and virtual students. Below is a timeline for the Keystone-tested courses and test dates as well as the Final Exam schedule. Each exam is made up of two modules, which students will complete over the course of three days.

PDE continues to require all districts across the Commonwealth to administer the Keystone exams with the only approved exception being a family's conflict with religious beliefs. Any parent with this concern should contact Ryan Johnston, Assistant Principal of Pottstown High School, at [Ryan Johnston](#) for further instructions.

Thank you -
