The School Seal

The seal is symbolic of the school. The central figure is a lamp burning vigorously. This is to represent the light of education as it spreads understanding, tolerance, and information to the world. Enclosing the lamp of learning is a triangle bearing the names of three general fields of endeavor. Resting on a base of art, which is indicative of all culture, the other two phases of school activity, science and industry, reach upward to form the apex of the triangle. Directly beneath the triangle is the year in which the school district was founded, 1881.

Twin circles bearing between them the name of the school, town, and state confine all of the symbols. These circles represent the unity of the school district and serve to remind us that we have a single, basic institution.

Access to Grades, Attendance & Discipline

Students and parents can gain access to the most current grades, attendance, and discipline reports by logging into the Home Access Center. A link can be found on the school district's website, www.pottstownschoools.org.

Parents/Guardians login information is different from the students' login information. Notifications of absences and failing grades can be sent to parents through the automated system. These notifications must be set up by the parents/guardians. To set up notifications or to sign up, please visit the Pottstown School District web page and follow the link for Parents.

It is important that students and parents/guardians regularly check attendance and grades via HAC. The parent and school partnership is critical to the academic success of children. Please contact the Assistant Principal's secretary if you have forgotten your login or password.

Alternative Education

The Pottstown In-House Alternative Education Program is designed to work with any student who is not succeeding in the regular classroom setting. The goal is for students to transition back into the regular classroom setting after a 45 to 90 day period in the alternative program.

Every student placed in the program has been referred through either an administrative hearing or referred to the program by the administration at Pottstown High School.

Please note that students enrolled in the Alternative Education program are not allowed on any district property outside the regular school day schedule without written permission from an administrator. A probationary period within the alternative education placement will be required. Eligibility per the alternative education placement must be maintained. Failure to abide by this rule will be considered defiant trespass and referred to the Pottstown Police Department.

Assurance of Non-Discrimination Notice

It is the policy of the Pottstown School District not to discriminate on the basis of sex, age, handicap, race, color, and national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, Title VI, and the A.D.A.

Extra-Curricular Code of Conduct

Extra-Curricular activities are a privilege and not a right. In addition to individual team/club rules, all participants are required to adhere to the Extra-Curricular Code of Conduct as it is outlined below. Infractions to the Code of Conduct may be subject to consequences ranging from suspension from the activity for a determined time period to termination from all school activities for the entire school year. These consequences will be determined by the coaches, advisors and/or administration.

- Conduct - A firm and fair policy for enforcement is necessary to uphold the regulations and standards of the high school. The community, school administrators, advisors and coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of co-curricular activities, including athletics. The welfare of the student is our major consideration. All participants shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic programs afford. Any conduct that results in dishonor to the student, the team, the club or the school will not be tolerated. Acts of unacceptable conduct in school, on social media, or in the community, such as, but not limited to, theft, vandalism, disrespect, immorality, or violations of the law that tarnish the reputation of everyone associated with the program will not be tolerated. Penalties for such violations could range from loss of status on the team or in the club, suspension, or dismissal.
- Equipment - School equipment checked out by a student is the responsibility of the student. Loss of any equipment is the student's financial obligation.
- Missing Practice or Meetings – A student should always consult their coach or advisor before missing practice/meetings. Missing a meeting, practice or a competition without good reason will be dealt with firmly and could range from loss of status on the team or in the club to suspension or dismissal.
- Travel - All students must travel to and from out of town athletic contests or club activities in transportation provided by the school unless previous arrangements are made and approved by an administrator. Exceptional situations may be weddings, funerals, or the prom. Notifications must be given in writing prior to the event and students must be picked up or dropped off by a parent/guardian.
 - Students will remain with their team/club and under the supervision of the coach/advisor when attending away contests.
 - Students who miss the bus will not be allowed to participate in the contest unless there are extenuating circumstances. (See above)
 - Students are not to drive any vehicles to or from events.
 - All regular bus rules will be followed.
 - Dress appropriately and in good taste when traveling with the team/club.
- College Recruitment - College recruitment information is available in the Career and Counseling Suite.
- Attendance - Students must be in attendance in school in order to participate in practice or events. Exceptions to this rule would involve absenteeism for an excused reason such as college visitation, doctor's appointment, driver's test, or other situations as determined by the administration. Students must be in the high school and middle school by **8:45 a.m.** to participate in games or practices that day. **Parent notes do not qualify as acceptable excuses for lateness.**
- Dismissal From Class - It is the responsibility of the students to communicate with their teachers prior to early dismissal from class for an event.

- Grooming and Dress - Appearance, expression, and actions always influence people's opinions of athletes and club members, the team or club, and the school. Once a student has committed to being a member of a squad or club, they have made a choice to uphold certain standards expected of athletes and club members. You are representing Pottstown High School and it is expected that you will in no way embarrass yourself or your school by behaving or dressing inappropriately.
- Reporting of Injuries - All injuries which occur while participating in athletics should be reported to the trainer/coach immediately. If the injury requires medical attention by a doctor or a treatment center, it will be necessary to have an injury report form completed. Once an athlete is treated by a physician, the athlete must obtain the doctor's permission to return to the activity.
- Locker Room Regulations - Roughhousing and throwing of objects is not allowed in the locker room.
 - All showers must be turned off. The last person to leave the shower room is expected to check all showers.
 - No one except coaches and assigned players are allowed in the locker room.
 - No glass containers are permitted in the locker room.
 - All spiked or cleated shoes must be put on and taken off outside the gym lobby. No metal or hard plastic spikes or cleats are ever allowed in any other part of the school building.
 - All students are provided with a lock for their lockers. It is the students' responsibility to lock their lockers at all times.
- Hazing
 - The Pottstown School District does not condone any form of initiation or harassment known as hazing as a part of any school sponsored activity. This regulation is established that no student, coach, volunteer, or employee shall plan, direct, encourage, assist, or engage in any hazing activity. Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health, or safety of a student for the purpose of initiation or membership into a Pottstown School District organization. Endangering the physical health shall include but is not limited to any brutality of a physical nature such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, beverage, drug or controlled substance, or other forced physical activity that could adversely affect the physical health or safety of the individual. Endangering the mental health shall include any activity that would subject an individual to extreme mental stress such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity even if a student willingly participates. If any hazing activities occur, this will result in the coach's immediate termination of responsibilities and/or the release of any and all students involved.

Eligibility for Extracurricular Activities

 - For purposes of eligibility, all classes are judged by the current number scale, with less than 60% being a failing grade.

 - Students who are suspended out of school (OSS) or expelled may not participate in any after school competitions or activities during the period of suspension/expulsion.

- No student may participate in a sport that has an outstanding obligation to the athletic department until the obligation has been satisfied.
- Students who do not meet the deadlines for Contract Physical Education will be ineligible for extracurricular activities, including the prom, until completed and approved by their advisor.

In all activities, the coach/advisor shall select the students who shall represent the school. The coach/advisor is given the privilege of cutting students to attain a workable or required number. Cuts, when necessary, will be based on students' ability, attitude, and general proficiency.

Athletic Insurance

The Pottstown School District makes it possible for all students to purchase insurance covering accidents. The cost is nominal. This policy normally covers any accidents from the time the student leaves home until he returns home, provided there is not an extended period of time after school hours. Teachers will make the necessary information available to their homeroom students at the beginning of each term.

No student may participate in any sport unless covered by either school insurance or adequate insurance from some other source. Parents who do not take advantage of the school insurance program must complete a form indicating the type of insurance that they carry and releasing the school district from responsibility for injuries which may be received by participating in the sport.

For those students who carry school insurance, a claim form is available at the school to which the parents should attach all bills. When these are returned to the school, they will be forwarded to the insurance company and the

insurance company will fulfill its obligations in regard to the injured student. In order to be honored, the forms must be filled out completely.

All guests must be under the age of 21. Dances end at 10:00 unless otherwise stated. Students must meet eligibility requirements to attend any PHS dance.

Attendance

It is expected that each student will be present every day that school is in session. Every absence and tardy is entered on each student's permanent record. Parents are encouraged to call the Attendance Office at 610-970-6710 to notify the school when their child will be absent. Students may not be permitted to make up work from unexcused or unlawful absences. Upon returning to school from any absence:

- Students must submit a written parental statement that includes the student's first and last name, date(s) of the absence(s), and reason for the absence, phone number and parent/guardian signature.
- Notes are to be given to the Attendance Office clerk or a photo or scanned picture of the note can be emailed to dkatch@pottstownk12.org. Notes may also be faxed to 610-970-1363.
- Phone calls are not valid legal excuses. All excuses must be in writing.
- If the student does not submit this written note within three (3) days of his/her return to school, the absence is considered unlawful. Students over the age of 18 will be considered unexcused (see board policy for more information).
- No more than ten (10) parental notes will excuse a child per school year. This includes tardy notes. Upon submission of note # 8, a warning email will be sent to the Parent or Guardian. All absences or tardy may only be excused with a Doctor's note.
- Unlawful and unexcused absences resulting from the failure to turn in an approved note within the 3 day time period will not be changed.
- Students absent three (3) or more consecutive school days *within the same school year* must present a physician's excuse in order to be considered medically excused.
- Students needing to leave school early for any reason must have a handwritten note turned into the Attendance Office the morning of the dismissal. The note must include a parent/guardian signature and phone number where they can be reached to verify the note. An email from a parent is acceptable when sent three days in advance so school staff can call and verify authenticity. Phone calls and/or emails will not be accepted the day of the request.
- The State of Pennsylvania defines “truancy” as a student who has missed 3 days of unexcused absence from school and “habitual truancy” as a student who has 6 or more days of unexcused absence from school in a school year.
- When a student has a medical or dental appointment that requires early dismissal from school, a note from that office must be turned in immediately upon returning from the appointment. If the note is not handed in, the absence will be recorded as illegal.
- The attendance office emails truancy warnings when students have reached 3 and 6 days unexcused absences. Notifications are also sent home through the parent portal.

Pottstown School Board Policy 204 states:

The Board requires that school age students enrolled in district schools attend school regularly, in accordance with state laws. The Board recognizes the importance of regular attendance to ensure student success in the district's instructional program.

Authority

Attendance shall be required of every student enrolled in district schools during the days and hours that school is in session, except that a principal or teacher may excuse a student for temporary absences when receiving satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the student's absence. Urgent reasons shall be strictly construed and do not permit irregular attendance.

The Board considers the following conditions to constitute reasonable cause for absence from school:

1. Illness or Quarantine.
2. Death in the immediate family.
3. Family educational trips with prior written approval.
4. Educational tours and trips with prior written approval.
5. Religious obligations.
6. A driver's examination with prior written approval.
7. College visitations or a job interview with prior written approval.

When a student returns from an absence, s/he must present a written excuse within three (3) school days of his/her return to school, or the absence shall be considered unexcused or unlawful. A written excuse from a doctor will also be required of any student who has been absent for three (3) consecutive school days.

In the case of irregular attendance or excessive absences, the student may be required to present a doctor's excuse to cover each subsequent absence. Under these circumstances, any absences that are not covered by a doctor's excuse will automatically be marked unexcused or unlawful. This will be communicated to students and parents through the student handbook at each school. In cases where parents or students would like to appeal the requirement contained herein for irregular or excessive absences, the principal will be responsible to consider the facts presented and make the decision. All decisions made by the principals can be appealed to the superintendent or his/her designee. The decision rendered by the superintendent or his/her designee shall be considered final.

The Board shall report to appropriate authorities infractions of the law regarding the attendance of students below the age of eighteen(18). The Board shall issue notice to those parents/guardians who fail to comply with the requirements of compulsory attendance that such infractions will be prosecuted according to law.

Attendance need not always be within school facilities. A student will be considered in attendance if present at any place where school is in session by authority of the Board; the student is receiving approved tutorial instruction, or health or therapeutic services; the student is engaged in an approved and properly supervised independent study, work-study or career education program; the student is receiving approved homebound instruction.

Upon written request by a parent/guardian, an absence occasioned by observance of a student's religion on a day approved by the Board as a religious holiday shall be excused. A penalty shall not be attached to an absence for a religious holiday.

The Board shall, upon written request of the parents/guardians, release from attendance a student participating in a religious instruction program acknowledged by the Board. Such instruction shall not require the child's absence from school for more than thirty-six (36) hours per school year, and its organizers must inform the Board of the child's attendance record. No part of the cost and expense of religious instruction shall be paid for out of district funds. The Board shall not provide transportation to religious instruction. A penalty shall not be attached to an absence for religious instruction.

The Board shall permit a student to be excused for participation in a project sponsored by a statewide or countywide or combined group upon written request prior to the event.

The Board shall excuse the following students from the requirements of attendance at the schools of this district:

1. On certification by a physician or submission of other satisfactory evidence and on approval of the Department of Education, children who are unable to attend school or apply themselves to study for mental, physical or other reasons that preclude regular attendance.
2. Students enrolled in nonpublic or private schools in which the subjects and activities prescribed by law are taught, except that such students and students attending college who are also enrolled part-time in the district schools shall be counted as being in part-time attendance in this district.
3. Students fifteen (15) or sixteen (16) years of age whose enrollment in private trade or business schools has been approved.
4. Students fifteen (15) years of age, and fourteen (14) years of age who have completed the highest elementary grade, who are engaged in farm work or private domestic service under duly issued permits.
5. Students sixteen (16) years of age regularly employed during the school session and holding a lawfully issued employment certificate.

The Board may excuse the following students from the requirements of attendance at district schools:

1. Students receiving tutorial instruction in a field not offered in the district's curricula from a properly qualified tutor approved by the Superintendent, when the excusal does not interfere with the student's regular program of studies.
2. Homebound children unable to attend school on the recommendation of the school physician and the school psychologist or a psychiatrist and approval of the Secretary of Education.
3. Students enrolled in special schools conducted by the Montgomery County Intermediate Unit or the Department of Education.

Early Excusal

Students needing to leave school early for any reason must have a handwritten note turned into the Attendance Office the morning of the dismissal. The note must include a parent/guardian signature and phone number where they can be reached to verify the note. Phone calls and/or emails will not be accepted.

Educational Tours/Trips

The district strongly discourages student absence from school except when illness or other urgent reasons prevent the student from attending. District officials are aware that it is not always possible to schedule family trips and vacations while school is not in session. In keeping with the district's guiding philosophy, but also recognizing the importance of the family unit, the Board will approve educational tours or trips not sponsored by the district up to a maximum of **five (5) school days per student per year**. Exceptions to the five (5) day rule may be considered by the Superintendent if compelling, extenuating circumstances warrant such consideration. The following provisions must be met for approval/conditional approval of an educational tour/trip:

1. A parental request for excused absence must be submitted on the designated form to the building principal or designee for consideration at least three (3) days prior to the date of the intended trip. The request must include a statement detailing the educational value of the trip and the name of the person responsible for supervision. Questionable requests will be submitted to the Superintendent for final determination.
2. The building principal will evaluate the request in terms of its educational value, duration, and adequateness of the supervision. If approved, the absence will be considered excused, subject to the student's satisfactory completion of the assignments missed. At the secondary level (grades 7-12), students must also present a written report highlighting the educational aspects of the trip. Elementary

students (grades K-6) are encouraged to share the trip experience with their class upon return to school. Prior to leaving on the trip, it is the responsibility of the student to seek assignments. It will be the responsibility of the student to make-up all work missed during the absence as per their student handbook requirements. If the class work and/or the written report is not completed and submitted to the building principal or designee, the days will be considered unlawful or unexcused and subject to the compulsory attendance laws, which may result in a fine.

3. The absence of a student taking a tour or trip which has not received prior approval from the building principal as being educational in nature will be considered unexcused or unlawful and subject to the provisions of the compulsory attendance laws.
4. A student may be excused from school to accompany his/her family to attend important family functions, such as graduations, weddings, funerals, etc., which are out of town and require lengthy travel. An excuse from school for this reason shall require prior approval from the building principal or designee and satisfactory completion of all work missed during the period of absence.
5. No educational trip will be excused during end of semester or end of year final exams, Keystone Testing, NOCTI testing or AP Exams.

Alternative Education

Students assigned to any form of alternative education must adhere to the requirements adopted by the Board. Any days absent from this program which are not covered by established guidelines will be marked as unexcused or unlawful.

Release of Students from School

- Students shall be released from school only to a parent/guardian or person authorized by the parent/guardian.
- Students of separated or divorced parents/guardians will be released to either parent/guardian unless a court order excluding one (1) parent/guardian from this right is provided to the principal.
- In case of illness, it shall be determined that the parent/guardian or another person authorized by the parent/guardian is available to receive the student.
- Students shall not be dismissed during school hours for non-school activities such as private music lessons, dancing lessons, scouts, etc., except with the approval of the principal.

The Superintendent or designee shall develop administrative regulations for the attendance of students which:

1. Ensure a school session that conforms with requirements of state law and regulations.
2. Govern the keeping of attendance records in accordance with law.
3. Distribute annually to staff, students, and parents/guardians Board policies and school rules and regulations governing student attendance, tardiness, absences and excusals via student handbooks or other written or electronic publications.
4. Impose on truant student's appropriate incremental disciplinary measures for infractions of school rules, but no penalty may have an irredeemably negative effect on the student's record beyond that which naturally follows absence from classroom learning experiences.
5. Identify the habitual truant, investigate the causes of truant behavior, and consider modification of the student's educational program to meet particular needs and interests.
6. Ensure that students legally absent have an opportunity to make up work.
7. Issue written/verbal notice to any parent/guardian who fails to comply with the compulsory attendance law, within three (3) days of any proceeding brought under that law. Such notice shall inform the parent/guardian of the date(s) the absence occurred, that the absence was unexcused and in violation of law, that the parent/guardian is being notified and informed of his/her liability under law for the absence of the student, and that further violation during the school term will be prosecuted without notice.

Repeated infractions of Board policy requiring the attendance of enrolled students may constitute misconduct and disobedience to warrant the student's suspension or expulsion from the regular school program.

The School Code of the Commonwealth of Pennsylvania defines absence as the nonattendance of a pupil all those days and half days when school is in session. There are three kinds of absences:

1. Excused absences include: illness, quarantine, death in the immediate family, approved educational trips, religious obligations, driver's examination, approved college visitation, approved interviews, jury duty, court appearances, or family emergency.
2. Unexcused absences are recorded for all other reasons other than those listed above.
3. Unlawful absence is the unexcused absence for all students under the age of 18. Unlawful absences are always unexcused absences.

Truancy Meetings

Once a student has reached 6 total absences for the school year the following may take place:

1. Parents/Guardians may be contacted to set up a meeting with school administration or Truancy Prevention team. .
2. The meeting will discuss the reason for the absences and to develop a plan to eliminate the issues causing the student's truancy.
3. **When the student reaches 8 unexcused absences for the school year they will be issued a truancy citation. Truancy citations result in court appearances before the District Magistrate and could result in community service or a fine. If the truancy continues the Office of Children and Youth will be notified by the court or school.**

Beverage Policy

Students are allowed to drink water in the classrooms with the following stipulations:

- Water must be in plastic containers.
- Students may not drink any beverage other than water.
- Teachers are permitted to make appropriate rules conducive to their classroom situation. For example, a computer or science teacher may limit or not allow drinking in their classroom.
- Students will be informed if a teacher bans the drinking of water in class. Failure to comply will be treated as insubordination.

Bullying

Pottstown School District Policy 249 states:

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying.

Consequences for Violations

A student who violates this policy shall be subject to appropriate disciplinary action consistent with the Code of Student Conduct, which may include:

Consequences may be modified if alternative or additional actions will serve the best interest of the student and/or school physical or virtual environment. Please note that this list of unacceptable behaviors is not inclusive. Any event not mentioned below will be addressed by the administration. The administration expects each student to demonstrate behavior that shows respect for all persons and property. FACE COVERINGS

Order from the PA Department of Health

Effective July 1, 2020, the PA Department of Health issued an order requiring everyone over the age of 2 is required to wear a face-covering in all public settings to assist with disease prevention and control.

The Order requires individuals to wear a "face covering." "Face covering" means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears or is wrapped around the lower face. A "face covering" can be made of a variety of synthetic or natural fabrics, including cotton, silk, or linen, and, for the purposes of the order, can include a plastic face shield that covers the nose and mouth. "Face coverings" may be factory-made, sewn by hand, or improvised from household items, including but not limited to, scarves, bandanas, t-shirts, sweatshirts, or towels.

Removal of Face Coverings

Face covering breaks will occur only when a distance of at least 6 feet for less than 15 minutes can occur. These times might include:

- Eating or drinking when spaced at least 6 feet apart;
- Seated at desks or assigned workspaces at least 6 feet apart;
- Engaged in any activity at least 6 feet apart (e.g., face covering breaks, recess, etc.); or
- When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.

Exceptions to Face Coverings

Children two years and older are required to wear a face covering unless they have a medical or mental health condition or disability, documented in accordance with Section 504 of the Rehabilitation Act or IDEA, that precludes the wearing of a face covering in school. Accommodations for such students should be made in partnership with the student's health care provider, school nurse, and IEP/504 team.

Athletics and Other Physical Activities

Everyone must wear a face covering, such as a mask, unless they fall under a previously stated exception. Coaches, athletes and spectators must wear face coverings unless they are outdoors and can consistently maintain social distancing of at least 6 feet. Athletes are not required to wear face coverings while actively engaged in workouts and competition that prevent the wearing of face coverings, but must wear face coverings when on the sidelines, in the dugout, etc. and anytime 6 feet of social distancing is not possible.

Expectations and Disciplinary Matters with Regard to Face Coverings

Failure to adhere to all requirements pertaining to wearing face coverings will be considered a disciplinary matter.

Removal of a face covering for the purpose of intimidating someone else will be viewed as a direct violation of the face covering requirement and will be handled as a disciplinary matter. Threatening to bite, sneeze, or spit on another person or in any way threatening or intentionally directing body fluids, particularly saliva or mucus onto or near another person will be considered an act of aggression and will be handled in the same manner.

Face coverings will be considered part of a person's attire and as such should follow the same guidelines presented in Policy 235, School Attire and Grooming; in particular, "Is what a student is wearing disruptive?"

Dress Code

Students must be dressed in appropriate attire **BEFORE** arriving to school. Students are to remain appropriately dressed throughout the school day. A student out of compliance with the dress code will be expected to change into appropriate attire or will not return to class and will receive consequences as indicated in the Discipline Code. Refer to District Policy 6182. Appropriate attire includes the following:

- Clothing must completely cover the midriff. Pulling down a shirt is not acceptable as a corrective action. A change of shirt will be required.
- No cut off sleeves

Dual Enrollment Program

The Dual Enrollment Program allows students who qualify (see Course Catalog for details) to take a class at a local college and receive credit both at the high school and at the college.

- Transportation is not provided.
- *Participation in this program is one of the highest academic privileges students can attain.* Therefore, both student and parents **MUST** agree to the following in order to take part in the program:
 - Follow all procedures and directions as set forth by the college and high school as appropriate to the program.
 - Remain in good standing with both schools, both academically and behaviorally.

FAILURE TO ABIDE BY ALL THE STIPULATIONS ABOVE WILL RESULT IN RETROACTIVE STUDENT ASSUMPTION OF ALL TUITION AND BOOK COSTS, DISCIPLINARY ACTION AND/OR LOSS OF ELIGIBILITY IF APPROPRIATE, AND/OR A PERMANENT WITHDRAWAL FROM THE DUAL ENROLLMENT PROGRAM FOR THE REST OF THE STUDENT'S ACADEMIC CAREER AT POTTSTOWN HIGH SCHOOL.

Educational Tours or Trips

School Board Policy 204 states:

The district strongly discourages student absence from school except when illness or other urgent reasons prevent the student from attending. District officials are aware that it is not always possible to schedule family trips and vacations while school is not in session. In keeping with the district's guiding philosophy, but also recognizing the importance of the family unit, the Board will approve educational tours or trips not sponsored by the district up to a maximum of five (5) school days per student per year. Exceptions to the five (5) day rule may be considered by the Superintendent if compelling, extenuating circumstances warrant such consideration. The following provisions must be met for approval/conditional approval of an educational tour/trip:

1. A parental request for excused absence must be submitted on the designated form to the building principal or designee for consideration at least **three (3) days prior** to the date of the intended trip. The request must include a statement detailing the educational value of the trip and the name of the person responsible for supervision. Questionable requests will be submitted to the Superintendent for final determination.
2. The building principal will evaluate the request in terms of its educational value, duration, and adequateness of the supervision. If approved, the absence will be considered excused, subject to the student's satisfactory completion of the assignments missed. At the secondary level (grades 7-12), students must also present a written report highlighting the educational aspects of the trip. Elementary students (grades K-6) are encouraged to share the trip experience with their class upon return to school. Prior to leaving on the trip, it is the responsibility of the student to seek assignments. It will be the responsibility of the student to make-up all work missed during the absence as per their student handbook requirements. If the class work and/or the written report is not completed and submitted to the building principal or designee, the days will be considered unlawful or unexcused and subject to the compulsory attendance laws, which may result in a fine.
3. The absence of a student taking a tour or trip which has not received prior approval from the building principal as being educational in nature will be considered unexcused or unlawful and subject to the provisions of the compulsory attendance laws.
4. A student may be excused from school to accompany his/her family to attend important family functions, such as graduations, weddings, funerals, etc which are out of town and require lengthy travel. An excuse from school for this reason shall require prior approval from the building principal or designee and satisfactory completion of all work missed during the period of absence.
5. No educational trip will be excused during end of semester or end of year final exams.

Students are expected to keep the picture and bar code free of any markings or stickers. Students who lose or deface the picture or barcode will be required to purchase a new ID.

Learning Center

The Learning Center is available two (2) hours after school Monday-Friday from 2:50 p.m. to 4:50 p.m. in the high school library. Students have access to teachers and paraprofessionals for remedial help, project and homework help, and make-up work.

Leaving School

Dismissal of classes will be at 2:40 unless otherwise noted. Students not engaged in any supervised school activity must leave the school premises by 2:50. On days with early dismissals all students must leave the building within 10 minutes of the dismissal time. Failure to comply with this rule may result in disciplinary action for insubordination and/or legal action for trespassing.

Legally Adult Students Signing Excuses & Early Dismissals & Field Trips

- The Division of Child Accounting in the State Department of Education has indicated that students eighteen (18) years old and above are **no different than other students**.
- If they are still living with their parents, the parents must sign their excuses.
- In order for a student to sign their own excuses, court approved emancipation must be proven to the school and is the burden of the student.
- Students eighteen years old and older are required to follow the attendance rules of the school including the rules for early dismissals and field trips.

Library/Media Center

- The library/media center serves as an area for research for the completion of class and homework assignments.
- Internet usage is closely supervised.
- Students may use the library as part of a scheduled class activity, during the homeroom period, or before or after school.
- Students who want to use the library during the day must get permission from the librarian prior to using the library and from their assigned teacher.
- Students may use the library during scheduled free blocks. Students must follow all rules during this time.

Lockers

- Lockers are assigned the first day of school by your homeroom teacher. Lockers will be inspected by the student and homeroom teacher for any damage at the beginning and end of the school year.

- Students are not permitted to change lockers without permission.
- Students should not exchange locker combinations with anyone.
- THE SCHOOL IS NOT RESPONSIBLE FOR PROPERTY STOLEN FROM LOCKERS.
 - We recommend that students not bring valuables to school. Lockers may not be used as a depository for any object which is prohibited by law or which poses a threat to the health, safety or welfare of the occupants of the school building.
 - Students are given a temporary privilege to use a locker, but have no expectation of privacy therein.
- All lockers are and shall remain the property of the school district. Please refer to Student Searches for more information regarding lockers.
- Students in Wellness and athletics will be provided with lockers. Students should not keep any valuables in these lockers.

- Students who lose or misplace any of their belongings should first look for them in the room where they used them the last time. If unable to locate the lost item, report to the main office before or after school.
- Articles that are found should be turned into the main office.

Make Up Work Policy

- When a student has a legally excused absence, he/she will have the number of days he/she was absent plus one day to make up work.
 - Example: If a student is legally absent from school on a Monday and Tuesday, he/she will have Wednesday, Thursday and until the end of the school day on Friday to make up and hand in any missed work.
- If a student is unlawfully absent, he/she is ineligible to make up work and will receive a 0 for any missed work in accordance with state law.
- More time may be provided at the discretion of the teacher. It is the student's responsibility to make arrangements to make up any missed work.

If you want to restrict any use of such visuals, put your request in writing to the building principal.

Medication (Prescription and Nonprescription Drugs)

- All medications administered in school require the completion of the "Authorization for School Medication Administration" form found on the district website under Nursing Services. A new prescription is needed every school year for medicine that is taken on a long term basis. Physicians' orders (licensed prescriber's order) do not carry over from one school year to the next. They are good for one school year and summer only.
- A parent/guardian or a responsible adult designated by the parent/guardian should deliver all medications to the school. The medication must be in the original over-the-counter or pharmacy labeled bottle. Prescription medication labels must contain:

In order to request this exemption, contact the school nurse to make an appointment. Parents/guardians will meet with the nurse to discuss their decision and then review and sign the opt-out form in the presence of the school nurse.
- Pottstown School District does not supply any medication to students.
- Ingestion of any drug without proper supervision is prohibited for students on school property or at school functions. If you have any questions regarding this policy or need to keep certain emergency medicines on hand, please see the school nurse.

For purposes of this policy, **under the influence** shall include any consumption or ingestion of controlled substances by a student.

For purposes of this policy, **look-alike drugs** shall include any pill, capsule, tablet, powder, plant matter or other item or substance that is designed or intended to resemble a controlled substance prohibited by this policy, or is used in a manner likely to induce others to believe the material is a controlled substance.

For purposes of this policy, **drug paraphernalia** shall include any equipment, utensil, or item which in the school administrator's judgment can be associated with the use of drugs, look-alike drugs, alcohol, mood altering substance, or health endangering compound.

The Board prohibits students from using, possessing, distributing, and being under the influence of any controlled substances during school hours, at any time while on school property, at any school-sponsored activity, and during the time spent traveling to and from school and to and from school-sponsored activities.

The Board may require participation in drug counseling, rehabilitation, testing or other programs as a condition of reinstatement into the school's educational, extracurricular or athletic programs resulting from violations of this policy.

In the case of a student with a disability, including a student for whom an evaluation is pending, the district shall take all steps required to comply with state and federal laws and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

Off-Campus Activities

This policy shall also apply to student conduct that occurs off school property and would otherwise violate the Code of Student Conduct if any of the following circumstances exist:

1. The conduct occurs during the time the student is traveling to and from school or traveling to and from school-sponsored activities, whether or not via school district furnished transportation.
2. The student is a member of an extracurricular activity and has been notified that particular off-campus conduct could result in exclusion from such activities.
3. Student expression or conduct materially and substantially disrupts the operations of the school, or the administration reasonably anticipates that the expression or conduct is likely to materially and substantially disrupt the operations of the school.
4. The conduct has a direct nexus to attendance at school or a school-sponsored activity, for example, a transaction conducted outside of school pursuant to an agreement made in school, that would violate the Code of Student Conduct if conducted in school.
5. The conduct involves the theft or vandalism of school property.
6. There is otherwise a nexus between the proximity or timing of the conduct in relation to the student's attendance at school or school-sponsored activities.

Violations of this policy may result in disciplinary action up to and including expulsion and referral for prosecution. The Superintendent or designee may assign a less severe consequence including but not less than a forty-five (45) day minimum alternative education placement for any student grade 7 through 12.

The Superintendent or designee shall immediately report required incidents and may report discretionary incidents involving possession, use or sale of controlled substances on school property, at any school-sponsored activity or on a conveyance providing transportation to or from school or school-sponsored activity to the local police department that has jurisdiction over the school's property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with local law enforcement and Board policies.

The Board prohibits the use of anabolic steroids by students involved in school-related athletics, except for a valid medical purpose. Bodybuilding and muscle enhancement, increasing muscle bulk or strength, or the enhancements of athletic ability are not valid medical purposes. Human Growth Hormone (HGH) shall not be included as an anabolic steroid.

Reasonable Suspicion/Testing

If based on the student's behavior, medical symptoms, vital signs or other observable factors, the building principal has reasonable suspicion that the student is under the influence of a controlled substance, the student may be required to submit to drug or alcohol testing. The testing may include but is not limited to the analysis of blood, urine, saliva, or the administration of a Breathalyzer test.

Recording District Staff and Classes

Recording any member of the Pottstown School District staff in any capacity is prohibited.

School District Calendar

The school calendar includes five (5) emergency/inclement weather days. If schools are closed as a result of inclement weather or emergencies, days will not be rescheduled unless there are more than five (5) days of school closings. For specific dates see the school calendar on the district website. The calendar will be revised in April to reflect 182 student days and 190 teacher days. The final graduation date will be established in April.

School Issued Materials & Supplies

Students are held responsible for loss or damage to any books, materials, uniforms & supplies (including calculators) issued to them. If they are lost, stolen or damaged, the student must pay for it or replace it with the exact model. Failure to replace lost or damaged items may result in forfeiture of the right to attend prom and/or graduation.

Student Assistance Team (SAP)

- The SAP Team is a group of staff members whose purpose is to identify students who are having problems in school because of alcohol or drug abuse, depression, suicidal behavior, and any other "at risk" behaviors which may be self-destructive.
- The SAP Team is an intervention, not a treatment program. The team will act upon referrals from staff, students, parents, and concerned others by first gathering factual information to determine the extent of the problem. The team will then develop recommendations for appropriate action, consistent with school district policy, which will assist students in handling observed problems.
- If you are concerned about a student who may be depressed, suicidal, or involved with substance abuse, you can make your concern known to the SAP Team.
- All information is CONFIDENTIAL. Drop your concern in the locked box in the Career and Counseling Center. Forms can be obtained from any SAP Team member, the nurse, or in the Career and Counseling Center.

Student Complaint Process

Pottstown School District Board Policy 219 states in part:

The Board recognizes that students may have legitimate concerns and complaints. In addition, the Board believes that the inculcation of respect for established procedures is an important part of the educational process. Accordingly, individual and group complaints shall be recognized, and appropriate appeal procedures shall be provided.

For purposes of this policy, a **student complaint** shall be one that arises from actions that directly affect the student's participation in an approved educational program. This policy shall not apply to PIAA regulated sports program policy.

The student should first make the complaint known to the staff member most closely involved or, if none is identifiable, a guidance counselor; and both shall attempt to resolve the issue informally and directly. For complaints that must move beyond the first step, the student shall prepare a written statement of his/her complaint which shall set forth:

1. Specific nature of the complaint and a brief statement of relevant facts.
2. Manner and extent to which the student believes s/he has been adversely affected.
3. Relief sought by the student.
4. Reasons the student feels entitled to the relief sought.

The complaint may then be submitted, in turn, to:

1. The Building Principal.
2. The Superintendent.
3. The Board of Directors.

Each of these three levels will be given fifteen (15) school days (maximum allowed at each level) for hearing of the complaint and preparation of a response. At each level, the student shall be afforded the opportunity to be heard personally by the school authority.

Student Responsibilities

- Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.
- **No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process.**
- Students should express their opinions in a respectful manner.
- It is the responsibility of all students to:
 - Be aware of all rules and regulations for student behavior and conduct themselves in accord with those rules.
 - Volunteer information in matters relating to the health, safety, and welfare of the school community and the protection of school property.
 - Dress and groom in a manner that is both safe and healthy and does not cause disruption to the educational process.
 - Assume that all rules are in full effect.
 - Assist staff in operating a safe school for all students enrolled therein.
 - Be aware of and comply with federal, state, and local laws.
 - Exercise proper care when using public facilities and equipment.

- o Attend school daily, except when excused, and be on time to all classes.
- o Make arrangements for making up work when absent from school.
- o Satisfactorily complete the courses of study prescribed by state and local school authorities.
- o Avoid inaccuracies in student newspapers or publications.
- o Avoid using indecent or obscene language, either written or oral.
- o Share report cards with parents/guardians in a timely manner.
- o Not possess/be under the influence of illegal/controlled substances.

Student Information Sheets

In the event of an emergency, these sheets give the doctor or hospital permission to treat the student. Student Information Sheets are given to the students at the beginning of each school term. They are to be completed in full, signed by the parent or guardian and returned to school promptly. These sheets are filed in the health room and used in case of emergency. Parents will be notified if it is necessary for them to take the child home, to a doctor, or to the hospital. Parents are contacted by means of the student's information sheet. Phone numbers, addresses, and parents' employers' telephone numbers must be kept up to date throughout the year. See the school nurse to make the necessary changes. Failure to return the sheet will result in disciplinary consequences for the student.

Student Searches

- Entry searches: School officials may conduct entry searches. These searches would be conducted by school administrators or their designee.
 - o Students may be asked to open/empty their book bags, backpacks, pockets, remove shoes and/or coats, sweatshirts, sweaters or jackets.
 - o Metal detectors (wands) may be used to scan the person.
- Locker searches: Lockers are school property loaned to the student for the student's convenience. Students should not share their assigned locker or combination with anyone. **Neither the school nor the district is responsible for lost or stolen items.**
 - o Building administrators may search a student's locker without prior warning in the interest of the health, welfare, and safety of all school students.
 - o Students should have no expectation of privacy.
 - o The high school administration may conduct unannounced safety inspections for drugs and weapons throughout the school year.
- Personal search: In the interest of safety and providing a weapon and drug-free school environment, a student and/or belongings may be searched.
- Vehicles: Student vehicles that are parked on school property are also subject to a search by school administration.

Summer School

- Summer school is a remedial opportunity for students to gain graduation credits for courses that were failed during the school year. It is an opportunity to recover credit on a pass/fail basis.
 - o A student must have earned at least a 50% in a course in order to be eligible for summer credit recovery.

Tardiness to School

- Tardiness, as defined by school law, is lateness regardless of the student's reason. This would include late arrivals that are a result of illness, doctor's appointments, car trouble, inclement weather, etc.
- **Students are tardy if they are not in 1st block by 7:56 a.m.**
- All cases of tardiness must be recorded.
- Students who arrive late because of an emergency situation must bring a note signed by the parent that explains the emergency. Tardiness will be considered excused for the following reasons:
 - Late buses
 - Personal illness
 - Medical reasons (with a note from a doctor)
 - Hazardous conditions due to inclement weather
 - Religious obligations
 - Family emergencies
 - Utility failure
 - Driver's examination (with prior approval)
 - Job interview (with prior approval)
- Other extenuating circumstances may be considered by a school administrator or the Attendance Office.
- **No more than ten (10) parental notes will excuse a child per school year. This includes absentee notes.**

Should tardiness become chronic, the administrator may record each tardy as an unexcused tardy. In addition, chronically tardy students may be required to have parental escort for admission. Students should follow these procedures when tardy:

- If in the building and late to 1st block
 - Go to 1st block and the 1st block teacher will mark you as late to school
- If you arrive after 7:56 a.m. or did not make it to 1st block
 - Report to the Attendance Clerk and an electronic late pass will be entered into the system and an e-Hallpass will be issued for your 1st block teacher.
- After 9:30 a.m., without a parent note/escort or a physician's excuse, a student will be considered AM truant and may be assigned to 1 day of ISS three days from the day you were late. You have 3 days to bring in a note from your parent/guardian. Remember that the maximum number of notes is ten (10) per year.
 - Missing school for an afternoon truancy court appearance is not an acceptable excuse.
- **Students who are tardy after 8:45 a.m. (unexcused) will not be eligible to participate in extracurricular activities, including practice, for that day.**

Number of Incidents of Being Late to School per Semester	Consequences
3	Student is "truant" and a letter is sent home
6	Student is "habitually truant" and a letter is sent home School Attendance Improvement Plan (SAIP) is created and a meeting is schedule to review with student and parent/guardian
