### ACCESS TO GRADES, ATTENDANCE, & DISCIPLINE

Students and parents can gain access to the most current grades, attendance, and discipline reports by logging into the Home Access Center. A link can be found on the school district’s website, [www.pottstownschoools.org](http://www.pottstownschoools.org); also, by downloading the Home Access Center APP. The APP can be used to view attendance, class work, grades, activities, etc.

Parents/Guardians login information is different from the student's login information. Notifications of absences and failing grades can be sent to parents through the automated system. These notifications must be set up by the parents/guardians. To set up notifications or to sign up, please visit the Pottstown School District web page and follow the link for Parents.

<https://www.pottstownschoools.org/HomeAccessCenter.aspx>

It is important that students and parents/guardians regularly check attendance and grades via HAC. The parent and school partnership is critical to the academic success of children. Please contact the school if you have forgotten your login or password.

### ALTERNATIVE EDUCATION

The Pottstown School District collaborates with Alternative Education Programs designed to work with any student who is not succeeding in the regular classroom setting. Enrollment in any of these programs is through a recommendation from district administration.

### EXTRA-CURRICULAR CODE OF CONDUCT

*Extra-Curricular activities are a privilege, not a right.* In addition to individual team/club rules, all participants are required to adhere to the Extracurricular Code of Conduct as it is outlined below. Infractions to the Code of Conduct may be subject to consequences ranging from suspension from the activity for a determined time period to termination from all school activities for the entire school year. The coaches, advisors and/or administration will determine these consequences.

- Conduct - A firm and fair policy for enforcement is necessary to uphold the regulations and standards of the high school. The community, school administrators, advisors and coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program of co-curricular activities, including athletics. The welfare of the student is our major consideration. All participants shall abide by a code of ethics which will earn them the honor and respect that participation and competition in the interscholastic programs afford. Any conduct that results in dishonor to the student, the team, the club or the school will not be tolerated. Acts of unacceptable conduct in school, on social media, or in the community, such as, but not limited to, theft, vandalism, disrespect, immorality, or violations of the law that tarnish the reputation of everyone associated with the program will not be tolerated. Penalties for such violations could range from loss of status on the team or in the club, suspension, or dismissal.
- Equipment - School equipment checked out by a student is the

responsibility of the student. Loss of any equipment is the student's financial obligation.

- Missing Practice or Meetings – A student should always consult their coach or advisor before missing practice/meeting. Missing a meeting, practice or a competition without good reason will be dealt with firmly and could range from loss of status on the team or in the club to suspension or dismissal.
- Travel - All students must travel to and from out of town athletic contests or club activities in transportation provided by the school unless previous arrangements are made and approved by an administrator. Exceptional situations may be weddings, funerals, or pre- approved events. Notifications must be given in writing prior to the event and students must be picked up or dropped off by a parent/guardian.
  - o Students will remain with their team/club and under the supervision of the coach/advisor when attending away contests.

- o Students who miss the bus will not be allowed to participate in the contest unless there are extenuating circumstances. (See above)
- o Students are not to drive any vehicles to or from events.
- o All regular bus rules will be followed.
- o Dress appropriately and in good taste when traveling with the team/club.
- College Recruitment - College recruitment information is available in the Career and Counseling Suite.
- Attendance - Students must be in attendance in school in order to participate in practice or events. Exceptions to this rule would involve absenteeism for an excused reason such as college visitation, doctor's appointment, driver's test, or other situations as determined by the administration. Students must be in the high school and middle school by 8:45 a.m. to participate in games or practices that day. Parent notes do not qualify as acceptable excuses for lateness.
- Dismissal From Class - It is the responsibility of the students to communicate with their teachers prior to early dismissal from class for an event. All work shall be made up at the convenience of the teacher.
- Grooming and Dress - Appearance, expression, and actions always influence people's opinions of athletes and club members, the team or club, and the school. Once a student has committed to being a member of a squad or club, they have made a choice to uphold certain standards expected of athletes and club members. You are representing Pottstown Middle School and it is expected that you will in no way embarrass yourself or your school by behaving or dressing inappropriately.
  - o No spiked or cleated shoes are permitted to be worn in the building.
- Reporting of Injuries - All injuries that occur while participating in athletics should be reported to the trainer/coach immediately. If the injury requires medical attention by a doctor or a treatment center, it will be necessary to have an injury report form completed. Once a physician treats an athlete, the athlete must obtain the doctor's permission to return to the activity.
- Locker Room Regulations - Roughhousing and throwing of objects is not allowed in the locker room.
  - o All showers must be turned off. The last person to leave the shower room is expected to check all showers.
  - o No one except coaches and assigned players are allowed in the locker room.
  - o No glass containers are permitted in the locker room.
  - o All students are provided with a lock for their lockers. It is

the student's responsibility to lock their lockers at all times.

- Hazing - The Pottstown School District does not condone any form of initiation or harassment known as hazing as a part of any school sponsored activity. This regulation is established that no student, coach, volunteer, or employee shall plan, direct, encourage, assist, or engage in any hazing activity. Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health, or safety of a student for the purpose of initiation or membership into a Pottstown School District organization. Endangering the physical health shall include but is not limited to any brutality of a physical nature such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, beverage, drug or controlled substance, or other forced physical activity that could adversely affect the physical health or safety of the individual. Endangering mental health shall include any activity that would subject an individual to extreme mental stress such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity even if a student willingly participates. If any hazing activities occur, this will result in the coach's immediate termination of responsibilities and/or the release of any and all students involved.

## ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES

Pottstown High/Middle School is a member of the Pennsylvania Interscholastic Athletic Association (PIAA), and its interscholastic athletic program is governed by the rules and regulations of that association. The athletic program is controlled by the principal of the school and the Director of Co-Curricular Activities.

Pottstown is a member of the Pioneer Athletic Conference. As a full member of the PAC, we adhere to all conference rules and regulations.

The co-curricular activities programs shall be open to all students who meet the following Pottstown School District requirements. Co-curricular activities include all athletics, clubs, non-athletic music/drama programs, assemblies, dances, field trips, or any other non-academic school functions.

- Students must pursue a curriculum approved by the principal or his designee.
- To be academically eligible, a student cannot be failing two or more credits. Eligibility is tabulated at 10:00 a.m. every Friday morning and runs Sunday

to Saturday of the coming week. Once a student is ineligible, he/she may not participate in competition until eligibility is checked again the next week and the student is found to be eligible.

- o Students who are ineligible are expected to participate in all practices and team/club study halls as per the directive of the coach or advisor.
  - o For purposes of eligibility, all classes are judged by the current number scale, with less than 60% being a failing grade.
  - o A student must be in attendance and must arrive at school prior to 8:45 a.m. to participate in a practice, game, or event.
  - o PIAA states that any student missing 20 or more days in a semester is ineligible to participate in any interscholastic sports for 45 days after the 20<sup>th</sup> day.
  - o 30 Day Attendance Rule: Once a student accumulates more than 30 absences, the student may forfeit his/her privilege to participate in athletics, field trips, dances, pep rallies, class trips, and all other Co-curricular activities for the remainder of the school year.
  - o Students who are suspended out of school (OSS) or expelled may not participate in any after school competitions or activities during the period of suspension/expulsion.
  - o Students who are assigned in-school suspension (ISS) or (Structured Days) may not participate in after school competitions on the day(s) of the suspension but are expected to participate in all practices or study halls as per the directive of the coach or advisor.
  - o Students who have 5 or more incidents of suspension (ISS (or structured days) or OSS), may forfeit the privilege to participate in athletics, field trips, dances, pep rallies, class trips, and all other Co-curricular activities for the remainder of the school year.
  - o No student may participate in a sport that has an outstanding obligation to the co-curricular department until the obligation has been satisfied.
  - o Eligibility for academic field trips is determined by the 30-Day Attendance Rule and 5 or more incidents of suspension. Eligibility for non-academic field trips will be determined by the 30-Day Attendance Rule, 5 or more incidents of suspension, and *include the minimum passing grade requirement of 3 credits.*
- In all activities, the coach/advisor shall select the students who shall represent the school. The coach/advisor is given the privilege of cutting (releasing from the team) students to attain a workable or required number. Cuts, when necessary, will be based on students' ability, attitude, and general proficiency.

## ATHLETIC INSURANCE

The Pottstown School District makes it possible for all students to purchase insurance covering accidents. The cost is nominal. This policy normally covers any accidents from the time the student leaves home until he returns home, provided there is not an extended period of time after school hours. Teachers will make the necessary information available to their homeroom students at the beginning of each term.

No student may participate in any sport unless covered by either school insurance or adequate insurance from some other source. Parents who do not take advantage of the school insurance program must complete a form indicating the type of insurance that they carry and releasing the school district from responsibility for injuries that may be received by participating in the sport.

For those students who carry school insurance, a claim form is available at the school to which the parents should attach all bills. When these are returned to the school, they will be forwarded to the insurance company and the insurance company will fulfill its obligations in regard to the injured student. In order to be honored, the forms must be filled out completely.

## ATTENDANCE

It is expected that each student will be present every day that school is in session. Every absence and tardy is entered on each student's permanent record. Parents are encouraged to call the Attendance Office at 610-970-6665 to notify the school when their child will be absent and must submit a written note. Students may not be permitted to make up work from unexcused or unlawful absences. Upon returning to school from any absence:

- Students must submit a written parental statement that includes the student's first and last name, date(s) of the absence(s), and reason for the absence, phone number and parent/guardian signature.
- Notes are to be given to the Attendance Office clerk. Notes may also be faxed.
- Phone calls are not valid legal excuses. All excuses must be in writing.
- If the student does not submit this written note within three (3) days of his/her return to school, the absence is considered unlawful. Students over the age of 17 will be considered unexcused (see board policy for more information).
- No more than ten (10) parental notes will excuse a child per school year.
- After the tenth (10) cumulative absences per semester, a physician's excuse is required for each absence. Physician's notes must document that the student has been seen in the office or it is considered unlawful or unexcused. No parent excuses will be accepted.

- Unlawful and unexcused absences resulting from the failure to turn in an approved note within the 3 day time period will not be changed.
- Students absent five (5) or more consecutive school days within the same school year must present a physician's excuse.
- Students needing to leave school early for any reason must have a handwritten note turned into the Attendance Office the morning of the dismissal. The note must include a parent/guardian signature and phone number where they can be reached to verify the note.
- The State of Pennsylvania defines “truancy” as a student who has missed 3 days of unexcused absence from school and “habitual truancy” as a student who has 6 or more days of unexcused absence from school in a school year.
- When a student has a medical or dental appointment that requires early dismissal from school, a note from that office must be turned in immediately upon returning from the appointment. If the note is not handed in, the absence will be recorded as illegal.
- Students who arrive late because of an emergency situation must bring a note signed by the parent that explains the emergency. Should tardiness become chronic, the administrator may record each tardy as unexcused (Policy 204). Please note that students who arrive after 8:45 AM and are not excused will be ineligible to participate in sports and other extracurricular activities that day. If you are not in your homeroom by 7:55 a.m., you are late. If arriving after 11:15 a.m., you are A.M. truant unless excused.
- Pottstown School Board Policy 204 states:
  - o The Board requires that school age students enrolled in district schools attend school regularly, in accordance with state laws. The Board recognizes the importance of regular attendance to ensure student success in the district's instructional program.

#### ATTENDANCE AUTHORITY/POLICY

Attendance shall be required of all students during the days and hours that school is in session, except that authorized district staff may excuse a student for temporary absences upon receipt of satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the student's absence.

The following students shall be excused from the requirements of attendance at the schools of this district:

- On certification by a physician or submission of other satisfactory evidence and on approval of the Department of Education, children who are unable to attend school or apply themselves to study for mental,

physical or other reasons that preclude regular attendance.

- Students enrolled in nonpublic or private schools in which the subjects and activities prescribed by law are taught.
- Students attending college who are also enrolled part-time in district schools shall be counted as being in part-time attendance in this district.
- Students attending a home education program or private tutoring in accordance with law.
- Students fifteen (15) or sixteen (16) years of age whose enrollment in private trade or business schools has been approved.
- Students fifteen (15) years of age, and fourteen (14) years of age who have completed the highest elementary grade, who are engaged in farm work or private domestic service under duly issued permits.
- Students sixteen (16) years of age regularly employed during the school session and holding a lawfully issued employment certificate.

### Excused/Lawful Absence

For purposes of this policy, the following conditions or situations constitute reasonable cause for absence from school:

- Illness, including if a student is dismissed by designated district staff during school hours for health-related reasons.
- Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory
- Quarantine.
- Family emergency.
- Recovery from an accident.
- Required court attendance.
- Death in the family.
- Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4- H and FFA group, upon prior written request.
- Observance of a religious holiday observed by a bonafide religious group, upon prior written parental request.
- Non-school-sponsored educational tours or trips, if the following conditions are met:
  - The parent/guardian submits a written request for excusal prior to the absence.
  - The student's participation has been approved by the Superintendent or designee.
  - The adult directing and supervising the tour or trip is acceptable to the parents/guardians and the Superintendent.
  - College or postsecondary institution visit, with prior approval.

- o Other urgent reasons. Urgent reasons shall be strictly construed and do not permit irregular attendance.

The district may limit the number and duration of non-school sponsored educational tours or trips and college or postsecondary institution visits for which excused absences may be granted to a student during the school year.

### Temporary dismissal

The following students may be temporarily excused from the requirements of attendance at district schools: Students receiving tutorial instruction in a field not offered in the district's curricula from a properly qualified tutor approved by the Superintendent, when the excusal does not interfere with the student's regular program of studies.

- Students participating in a religious instruction program, if the following conditions are met:
  - o The parent/guardian submits a written request for excusal. The request shall identify and describe the instruction, and the dates and hours of instruction.
  - o The student shall not miss more than thirty-six (36) hours per school year in order to attend classes for religious instruction.
  - o Following each absence, the parent/guardian shall submit a statement attesting that the student attended the instruction, and the dates and hours of attendance.
- School age children unable to attend school upon recommendation of the school physician and a psychiatrist or school psychologist, or both, and with approval of the Secretary of Education.

### Parental Notice of Absence

Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of medicine.

### Unexcused/Unlawful Absence

For purposes of this policy, absences which do not meet the criteria indicated above shall be considered an unexcused/unlawful absence. An out-of-school suspension may not be considered an unexcused absence.

### Enforcement of Compulsory Attendance Requirements

*Student is Truant* - When a student has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the student

within ten (10) school days of the student's third unexcused absence.

The notice shall:

- Include a description of the consequences if the student becomes habitually truant; and when transmitted to a person who is not the biological or adoptive parent, may also be provided to the child's biological or adoptive parent, if the parent's mailing address is on file with the school and the parent is not precluded from receiving the information by court order.
- The notice may include the offer of a School Attendance Improvement Conference.

If the student incurs additional unexcused absences after issuance of the notice and a School Attendance Improvement Conference was not previously held, district staff shall offer a School Attendance Improvement Conference.

School Attendance Improvement Conference - District staff shall notify the parent/guardian in writing and by telephone of the date and time of the School Attendance Improvement Conference. The purpose of the School Attendance Improvement Conference is to examine the student's absences and reasons for the absences in an effort to improve attendance with or without additional services.

The following individuals shall be invited to the School Attendance Improvement Conference:

- The student.
- The student's parent/guardian
- Other individuals identified by the parent/guardian who may be a resource.
- Appropriate school personnel
- Recommended service providers

Neither the student nor the person in parental relation shall be required to participate, and the School Attendance Improvement Conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference.

The outcome of the School Attendance Improvement Conference shall be documented in a written School Attendance Improvement Plan. The Plan shall be retained in the student's file. A copy of the Plan shall be provided to the person in parental relation, the student and appropriate district staff.

The district may not take further legal action to address unexcused absences until after the date of the scheduled School Attendance Improvement Conference has passed.

Student is Habitually Truant - When a student under fifteen (15) years of age is habitually truant, district staff:

- Shall refer the student to:
  - o A school-based or community-based attendance improvement program;

or

- o The local children and youth agency.
- May file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the student.

When a student fifteen (15) years of age or older is habitually truant, district staff shall:

- Refer the student to a school-based or community-based attendance improvement program; or
- File a citation in the office of the appropriate judge against the student or the person in parental relation who resides in the same household as the student.

District staff may refer a student who is fifteen (15) years of age or older to the local children and youth agency, if the student continues to incur additional unexcused absences after being referred to a school-based or community-based attendance improvement program, or if the student refuses to participate in such program.

Regardless of age, when district staff refer a habitually truant student to the local children and youth agency or file a citation with the appropriate judge, district staff shall provide verification that the school held a School Attendance Improvement Conference.

Filing a Citation - A citation shall be filed in the office of the appropriate judge whose jurisdiction includes the school in which the student is or should be enrolled.

Additional citations for subsequent violations of the compulsory school attendance requirements may only be filed against a student or person in parental relation in accordance with the specific provisions of the law.

#### Special Needs and Accommodations

If a truant or habitually truant student may qualify as a student with a disability, and require special education services or accommodations, the Director of Special Education or designee shall be notified and shall take action to address the student's needs in accordance with applicable law, regulations and Board policy.

For students with disabilities who are truant or habitually truant, the appropriate team shall be notified and shall address the student's needs in accordance with applicable law, regulations and Board policy.

#### Discipline

The district shall not expel or impose out-of-school suspension, disciplinary reassignment or transfer for truant behavior.

EARLY EXCUSAL

A request for early dismissal to leave school for a medical or dental appointment, court appearance, family emergency or other urgent reason will be considered if a note from the parent/guardian is presented to the principal or designee prior to the appointment.

#### EDUCATIONAL TOURS/TRIPS

The district strongly discourages student absence from school except when illness or other urgent reasons prevent the student from attending. District officials are aware that it is not always possible to schedule family trips and vacations while school is not in session. In keeping with the district's guiding philosophy, but also recognizing the importance of the family unit, the Board will approve educational tours or trips not sponsored by the district up to a maximum of five (5) school days per student per year. Exceptions to the five (5) day rule may be considered by the Superintendent if compelling, extenuating circumstances warrants such consideration. The following provisions must be met for approval/conditional approval of an educational tour/trip:

1. A parental request for excused absence must be submitted on the designated form to the building principal or designee for consideration at least three (3) days prior to the date of the intended trip. The request must include a statement detailing the educational value of the trip and the name of the person responsible for supervision. Questionable requests will be submitted to the Superintendent for final determination.
2. The building principal will evaluate the request in terms of its educational value, duration, and adequateness of the supervision. If approved, the absence will be considered excused, subject to the student's satisfactory completion of the assignments missed. At the secondary level (grades 7-12), students must also present a written report highlighting the educational aspects of the trip. Elementary students (grades K-6) are encouraged to share the trip experience with their class upon return to school. Prior to leaving on the trip, it is the responsibility of the student to seek assignments. It will be the responsibility of the student to make-up all work missed during the absence as per their student handbook requirements. If the class work and/or the written report is not completed and submitted to the building principal or designee, the days will be considered unlawful or unexcused and subject to the compulsory attendance laws, which may result in a fine.
3. The absence of a student taking a tour or trip which has not received prior approval from the building principal as being educational in nature will be considered unexcused or unlawful and subject to the provisions of the compulsory attendance laws.

4. A student may be excused from school to accompany his/her family to attend important family functions, such as graduations, weddings, funerals, etc., which are out of town and require lengthy travel. An excuse from school for this reason shall require prior approval from the building principal or designee and satisfactory completion of all work missed during the period of absence.
5. No educational trip will be excused during end of semester or end of year final exams.

#### RELEASE OF STUDENTS FROM SCHOOL

- Students shall be released from school only to a parent/guardian or person authorized by the parent/guardian.
- Students of separated or divorced parents/guardians will be released to either parent/guardian unless a court order excluding one (1) parent/guardian from this right is provided to the principal.
- In case of illness, it shall be determined that the parent/guardian or another person authorized by the parent/guardian is available to receive the student.
- Students who contact parents/guardians during school hours on personal devices without administrative approval will receive disciplinary action by the Middle School Administration.
- Students shall not be dismissed during school hours for non-school activities such as private music lessons, dancing lessons, scouts, etc., except with the approval of the principal.

The Superintendent or designee shall develop administrative regulations for the attendance of students which:

1. Ensure a school session that conforms to requirements of state law and regulations.
2. Govern the keeping of attendance records in accordance with law.
3. Distribute annually to staff, students, and parents/guardians Board policies and school rules and regulations governing student attendance, tardiness, absences and dismissal via student handbooks or other written or electronic publications.
4. Impose on truant student's appropriate incremental disciplinary measures for infractions of school rules, but no penalty may have an irredeemably negative effect on the student's record beyond that which naturally follows absence from classroom learning experiences.
5. Identify the habitual truant, investigate the causes of truant behavior, and consider modification of the student's educational program to meet particular needs and interests.
6. Ensure that students legally absent have an opportunity to make up work.

7. Issue written/verbal notice to any parent/guardian who fails to comply with the compulsory attendance law, within three (3) days of any proceeding brought under that law. Such notice shall inform the parent/guardian of the date(s) the absence occurred, that the absence was unexcused and in violation of law, that the parent/guardian is being notified and informed of his/her liability under law for the absence of the student, and that further violation during the school term will be prosecuted without notice.

Repeated infractions of Board policy requiring the attendance of enrolled students may constitute misconduct and disobedience to warrant the student's suspension or expulsion from the regular school program.

The School Code of the Commonwealth of Pennsylvania defines absence as the nonattendance of a pupil all those days and half days when school is in session. There are three kinds of absences:

1. Excused absences include: illness, quarantine, death in the immediate family, approved educational trips, religious obligations, driver's examination, approved college visitation, approved interviews, jury duty, court appearances, or family emergency.
2. Unexcused absences are recorded for all other reasons other than those listed above.

#### VIRTUAL ENVIRONMENT ATTENDANCE

Regardless how Pottstown School District may deliver virtual instruction (fully virtual for all students or blended with in person instruction), students will be required to log attendance each day they are not in their physical classroom. Attendance may be recorded by attending the session live or students responding to an attendance question if the lesson is asynchronous. Logging on for attendance does not excuse a student from completing work for the day, likewise, completing work for the day does not constitute attendance for the day.

Whether in a virtual environment or in the actual classroom, students in the Commonwealth of Pennsylvania are expected to attend a minimum of 180 days of school for a minimum of 900 hours in grades K-6 and 990 hours in grades 7-12. Failure to meet these minimum requirements can only be excused by a note from a parent/guardian or physician. Please refer to Policy 204 for more details about attendance expectations.

## CLASSROOM SAFETY

In order to ensure and enhance the safety of our schools, all classroom, office, and internal as well as external doors must remain locked at all times. Teachers may choose to use a small device like magnets to allow for easy entrance and egress between classes. However, unless otherwise authorized by the building principal, all doors are to remain locked at all times.

## DISCIPLINE CODE FOR STUDENTS

The Pottstown Middle School recognizes the value of a positive behavior support program and utilizes this method as the first avenue to communicate and manage expected behaviors within the building. We expect students to follow the basic guidelines outlined here:

A successful PMS student does the following:

1. Cooperate and remain on task
2. Be prepared with all materials for

- class
- 3. Follow all school and class rules

- 4. Interact respectfully with others
- 5. Complete all assignments
- 6. Respect the classroom environment

As with any developmental adolescent, sometimes behavior choices do not align with school expectations and warrant a disciplinary consequence. The administration expects each student to demonstrate behavior that shows respect for all persons and property. It is each student's responsibility to demonstrate desirable behavior that is conducive to a good learning atmosphere. The guidelines outlined in this section represent the consequences for violations of the Discipline Code for PMS students. Consequences may be modified if alternative or additional actions will serve the best interest of the student and/or school environment. Please note that this list of unacceptable behaviors is not inclusive. Any event not mentioned below will be addressed by the administration. Recognizing discipline as a learning opportunity and students in grades 5-8 are at different developmental levels, administration reserves the right to differentiate discipline as appropriate for students' developmental needs.

Administration may use higher levels of disciplinary measures as necessary. The code is divided into three levels, which apply to the severity and/or frequency of the behavior. Police will be notified whenever federal, state, county, or municipal laws are violated.

We recognize that clear expectations and relationship building are vital to addressing student behaviors as well as the educational relationship between staff and students.

In keeping with the district's guiding philosophy, but also recognizing the importance of the family unit, the Board will approve educational tours or trips not sponsored by the district up to a maximum of five (5) school days per student per year.
