FLIP VIRTUAL BOOK CLUB!

Do you love reading? Making new friends? Sharing your opinions?
Posting your own videos? We do too! But are you also...super busy?

With school, clubs, family commitments and more,
it's hard to find time to meet up in person.
So, let's start a book club that meets ANYtime, ANYwhere!
Using the kid-safe, video discussion app "Flip,"
we'll get to know each other and chat about reading.
