Number of Students by Grade Level

The program served 278 students:

Number of Participants by Grade Level

P.R.I.D.E. is a FREE academic and educational enrichment 21st CCLC program offered at Pottstown Middle School for students in grades 6-8. This program provides a safe environment for students during "out of school time" hours.

The focus of the **P.R.I.D.E.** is increasing academic performance to help students meet state and local academic achievement standards in literacy and math. The program promotes better school attendance and behavior, resulting in better classroom performance and reduced disciplinary referrals. The program provides career awareness and educational enrichment activities to broaden students' knowledge and understanding.

P.R.I.D.E. offers students guidance and mentoring as they step toward high school and post-secondary education. Students learn how to investigate careers, technical schools, and college majors. The program serves 174 fifth-grade through eighth-grade students
