#### Notes:

Essential courses are offered to provide students with added support in prerequisite concepts and skills.

Foundations courses are standards-based courses adjusted to give students greater support on core concepts and provide additional practice and review.

The World Languages courses require a headset and microphone that are compatible with the computer being used for the course.

Courses listed as A or B can be taken individually as a semester course or together as a year-long course.

All courses available with a Pearson Online & Blended Learning (OBL) teacher unless otherwise indicated. State-specific certification will vary.

OBL teachers not available for credit recovery courses.

Course list subject to change.
